A brief Report on

One Day e-Workshop on “Spectroscopic Techniques”

6nd August - 2021

Introduction:

Department of Chemistry organizes the e-workshop to increase the awareness in the students about how to identified Structure in Chemistry and develop the concept Chemical techniques. The main objective to conduct this workshop is to introduce students with spectroscopic techniques in this pandemic time. There were several inputs from the Resource person, who provided insights into the aspects responsible for developing and enhancing quality in education. The workshop was a key activity for the college that aims to empower learning, develops skills and support opportunities for all within the society. Feedback from of the workshop was very positive, participants saw great value in working with updated innovative scholars from various colleges, the opportunity to network and to learn from one another and the chance to explore ideas. This report provides background of the workshop, information, objectives, a summary of the presentations and discussions for the next step.

Background:

The “**Spectroscopic Techniques**” e-workshop was convened to bring together SGBA University Amravati Chemistry Teachers & experts from the academic institutions & students to address important method to go for Techniques in chemistry. In the ending of the academic session, Department of Chemistry decided to conduct e-workshop on Spectroscopic Techniques. The convener of the Workshop Dr. N.N.Gedam , head of Department of Chemistry & Co-ordinator Mr.K.S.Shelki, of Chemistry and Co-coordinator Dr. M.U.Bambole, Assistant Professor Department of Chemistry took initiative to undertake this e-workshop. The initiative represents collective venture of the Workshop committee, teaching and non-teaching staff and students.

Objective:
