MINUTES OF THE MEETING

Date: 04/07/2022

The meeting with Principal and staff member was held on 04/07/2022; 11:00 am at Principal's office. The minutes of the meetings are as follows:

1. Review of the academic session 2021-22: It was reported that the faculties had engaged the students in post-pandemic session. The Departments had fulfilled all possible aspects of curricular and co-curricular activities as per the directions from parent University and local authority. It was observed that the Science Association Drop Box activity initiated by the Departments to make student attentive and interactive was fruitful. The students are now more interactive and communicative, by direct or indirect means.
2. Strategies and planning: The teaching Departments are instructed to organize seminars/ workshops/ conference/ Guest lectures, etc. for the benefits of the students under the supervision of the IQAC. Also, the teaching Departments were informed to conduct the education tour, institutional visits, excursion, etc. as a part of the curriculum prescribed by the parent University.

The PG courses are going to be introduced from this session 2022-23. The concerned Departments were instructed to make necessary curricular arrangements. As the University has introduced new CBCS pattern for all the program and courses from the session 2022-23 and already formulated the POs and COs, the Head of the Departments and IQAC was informed to convey the same to the students and update it on the college website, while it was decided to retain the criteria for evaluation of attainment of POs and COs.

3. Academic calendar: The IQAC along with Head of the Departments will plan and prepare the academic calendar for the session 2022-23.
4. Various committees were formed for the smooth conduction of the session.
5. All the Head of the Departments were informed to collect data of session 2021-22 for preparation of AQAR.

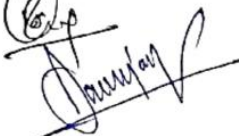

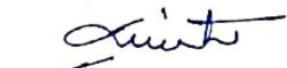

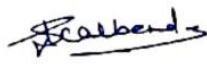

The various issues from teaching and students were addressed. The Principal resolved the certain issues.

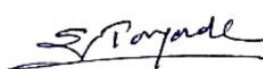

The meeting was concluded by the final remark of the Chairperson and ended with the Vote of Thanks.

MINUTES OF THE MEETING

Date: 01/09/2021

The meeting with Principal and staff member was held on 01/09/2021; 01:00 pm at Principal's office. The minutes of the meetings are as follows:

1. Review of the academic session 2020-21: It was learned that the faculties had engaged the students in online mode as well as in regular classroom offline mode as per the directions from parent University and local authority.

The efforts were made by the faculties to complete syllabus via both mode within time. Review was also taken for the various activities organized by the Departments during the academic session. It was reported that the offline mode was more effective and preferred way of teaching-learning.

2. Strategies and planning for post-pandemic session: The issues and necessary facilities that might be required for the offline conduction of the academic session were discussed along with the possible solution. It was planned out that the teaching Departments should conduct / organize various seminars/ workshops/ conference/ Guest lectures, etc. for the benefits of the students under the guidance and surveillance of the IQAC.

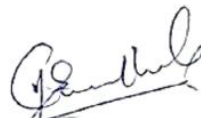

Also, the teaching Departments were informed to conduct the education tour, institutional visits, excursion, etc. as a part of the curriculum prescribed by the parent University, if the conditions are favorable with respect to the pandemic.

3. Academic calendar: The IQAC along with Head of the Departments will plan and prepare the academic calendar for the session 2021-22 for the common information.

The instructions were given to accommodate the celebration of important national days, anniversaries of the national heroes, significant days as per the various subjects into the academic calendar.

4. It was brought to the common notice that in this post-pandemic session, the student's engagement in offline mode will need extra efforts to control any further plausible spread of the disease.
5. The various issues from teaching, non-teaching and students were addressed by the Principal.

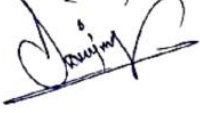

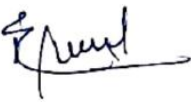

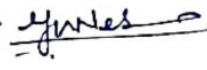

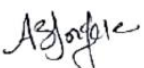

The meeting was concluded by the final remark of the Chairperson and ended with the Vote of Thanks.

MINUTES OF THE MEETING

Date: 24/11/2020

The IQAC meeting with all Head of the Department was held on 24/11/2020, 01:00 pm at Principal's office. The minutes of the meeting are as follows:

1. The meetings of the previous meeting were reviewed.
2. Review of the current academic session 2020-21 was taken. It was learned that the faculties were engaging the students via online mode of teaching very effectively. The faculties are adopting various modes of online teaching.
3. The reports of the online programs organized by the various Departments till date were presented in the meeting.
4. Furthermore, the remaining teaching Departments were instructed to organize Seminar, Workshop, Guest lectures, etc. via online mode.
5. The various issues from teaching and students were addressed. The principal resolved the certain issues.
6. As per the received application, the placement was due for the following faculties:

a) Dr. N. N. Gedam	b) Dr. R. B. Pedhekar
c) Dr. S. P. Kalbende	d) Dr. A. B. Ingole

It was decided that their applications could be forwarded for the further necessary action.

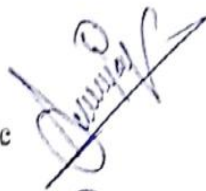

7. Attainment of COs and POs: In view of the ongoing pandemic and results of the University's online examination, the agenda was put forth by all Head of the Departments to change the criteria for evaluation of attainment of COs and POs. The changes are as follows:

Attainment level	Explanation	Target/Threshold score
0	If less than 60% of the students score threshold percentage	
1	If 61-70% of the students score above threshold percentage	Theory 60%
2	If 71-80% of the students score above threshold percentage	Practical 60%
3	If more than 81% students score above threshold percentage	Internal assessment 80%

The changed threshold is decided considering the new online methods and changed circumstances of the evaluation in University examination during pandemic. All Heads were instructed to convey the changes to the students for general information. It was unanimously decided that after resuming the offline examination, the previous threshold % should be restored.

The meeting was concluded by the final remark of the Chairperson and ended with the vote of thanks.

MINUTES OF THE MEETING

Date: 10/06/2020

An online meeting via Google meet was held on 10/06/2020 at 01:00 pm. The minutes of the meeting are as follows:

1. Review of academic session 2019-20: It was learned that the faculties had engaged the students in the online mode of teaching very effectively. The efforts were made to complete the curriculum prescribed for the various courses.
2. During the pandemic, efforts made by the teachers and students were upto the mark in various aspects of the teachings, learning and evaluation. The online mode was found to be not a satisfactory tool for the effective teaching and learning.
3. It was decided that the following IQAC is being appointed from the session 2020-21.

Sr. No.	Name	Designation	Position to be held
1	Dr. K. S. Jamdhade	Principal	Chairperson
2	Dr. V. R. Narkhedkar	Asst. Professor	Coordinator
3	Dr. S. D. Mahalle	Asso. Professor	Member
4	Dr. P. V. Raut	Director, Phy. Edu.	Member
5	Dr. A. J. Tidke	Asso. Professor	Member
6	Dr. A. B. Ingole	Asst. Professor	Member
7	Dr. N. N. Gedam	Asst. Professor	Member
8	Shri G. W. Nishane	Librarian	Member
9	Dr. Anuradha A. Varhade	Treasurer, Late BVES, Amravati.	Member of Management
10	Ms. Akanksha Tidake	Student	Student Representative
11	Shri Mayur Kolteke	Alumni	Alumni Representative
12	Shri M. P. Lande	CDC Member	Admin Officer
13	Dr. M. K. Phule	Asso. Professor	Senior Teacher
14	Dr. Y. G. Singh	Principal, Arts and Com. College, Yeoda.	External Advisor

4. The teaching Departments were instructed to organize Seminar, Workshop, Guest lectures, etc. via online mode.
5. The various issues from teaching and students were addressed. The Principal resolved the certain issues.

The meeting was concluded by the final remark of the Chairperson and ended with the vote of thanks.

(All the faculty members were present for the meeting).

MINUTES OF THE MEETING

Date: 17/03/2020

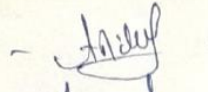

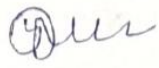

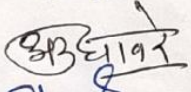

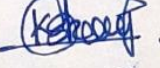

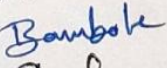

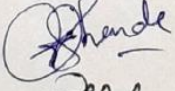

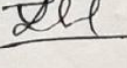

The IQAC meeting with all Head of the Department was held on 17/03/2020, 11:00 am at Principal's office. The minutes of the meeting are as follows:

1. The minutes of the previous IQAC meeting was reviewed.
2. Review of the teaching in current academic session 2019-20: It was learned that the faculties have almost completed the syllabus. So, instructions were given to the faculties for completion of the syllabus.
3. As per the instructions coming from the Government and the daily media reports, it is known that the disease COVID-19 is spreading very fast and has entered into the country as well. As per the media reports, there are chances that educational institutions may remain closed for few days. So, faculties were instructed to plan accordingly and provide the study material to students.
4. The various issues from teaching were addressed. The Principal resolved the certain issues.

The meeting was concluded by the final remark of the Chairperson and ended with the vote of thanks.

MINUTES OF THE MEETING

Date: 02/11/2018

The IQAC meeting with all Head of the Departments was held on 02/11/2018, 11:30 am at Principal's chamber. The following points were noted as minutes of the meeting:

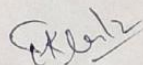

1. The minutes of the previous meeting were read and reviewed.
2. The syllabus completion status was reviewed. All faculties are about to complete the syllabus, except few who had completed the syllabus.
3. The instructions were given to conduct the practical examination as per the schedule and directions by the University. The Departments raised the demand of some consumable items for the curriculum. Such specific instructions were noted for further necessary action.
4. The NSS Department was informed to increase the number of extension activities.
5. The teaching Departments raised the issue of full time faculty requirements. This was conveyed to the Management for consideration and necessary steps.
6. The eligible research supervisors were encouraged and instructed to get the recognition for research centers of the college.
7. The IQAC was instructed to take necessary steps for the collection and compilation of the data required for AQAR 2017-18.
8. The various issues from teaching were addressed. The Principal resolved the certain issues.

The meeting was concluded by the final remark of the chairperson and ended with vote of thanks.

Students are exposed to alternative approaches to economic problems through exposure to course work in allied fields.</p>
7	B. A. (Bachelor of Arts)	Sociology	<p>a. Studying sociology enhances the social awareness of the students.</p> <p>b. Students are exposed to social problems.</p> <p>c. It enriches the social research ability of the student.</p> <p>d. It also inculcates social analytical ability.</p> <p>e. Social counseling ability is imbibed among the students.</p> <p>f. It develops good understanding about the family system in India and abroad.</p>
8	B. A. (Bachelor	Home Economics	<p>a. Students will acquire basic knowledge of principles involved in planning of residential house.</p> <p>b. Students will learn and apply various methods and</p>

	of Arts)		<p>techniques of work simplification.</p> <p>c. Course will prepare the students to understand the basics of food preparation and preservation.</p> <p>d. Course helps them to develop employability skills for 'Earning while Learning'.</p> <p>e. Course will inculcate the skills related to self-employment.</p> <p>f. Students will be empowered with the basic concepts of the nutrition for planning the diet for different illnesses.</p> <p>g. Course will introduce the students to the major concepts of human development.</p> <p>h. Studying the course will enable the students to learn the causes and methods of prevention of mother and child mortality.</p> <p>i. Students will gain the knowledge about the general caring ways of a baby.</p>
9	B. Com. (Bachelor of Commerce)	Advanced Accounting	<p>a. The students learn about - accounting techniques in dealing with specific accounting issues, such as investments, consolidated financial statements, financial assets.</p> <p>b. Students get stimulated for deeper thoughts about the accounting policy making, and firms' choices of accounting rules. Their international perspective gets widened.</p> <p>c. Their critical understanding of conceptual issues in financial accounting as well as technical and analytical skills gets developed.</p> <p>d. Students recognize commonly used financial statements, their components and how information from business transactions flows into these statements.</p> <p>e. Students learn relevant financial accounting career skills, applying both quantitative and qualitative knowledge to their future careers in business.</p>
10	B. Com. (Bachelor of Commerce)	Business Economics	<p>a. Students can apply economic reasoning to the analysis of selected contemporary economic problems.</p> <p>b. They understand how households (demand) and businesses (supply) interact in various market structures to determine price and quantity of goods and services produced and consumed.</p> <p>c. They can analyze the efficiency and equity implications of government interference in markets.</p> <p>d. They can recognize and identify situations leading to market failures and government failures.</p>

			e. They can evaluate the intent and outcomes of government stabilization policies designed to correct macroeconomic problems.
11	B. Com. (Bachelor of Commerce)	Principles of Business Management	<p>a. Students use business terms and concepts when communicating and analyzing the data to verify accuracy of conclusions.</p> <p>b. They select and use appropriate resources to collect business data which ultimately translate into information for decision-making.</p> <p>c. They use the marketing information management concepts, systems, and tools needed to obtain, evaluate, and disseminate information for use in making marketing decisions. They use effective communication skills to promote respect, trust and relationships.</p> <p>d. The students conduct research to identify and analyze client needs and desires and make marketing recommendations regarding business decisions and use appropriate leadership skills and styles to maximize employee productivity.</p> <p>e. They use quantitative measurements to solve business problems related to payroll, taxes, percentages, future value of money and to be able to make better business decisions.</p>
12	B. Com. (Bachelor of Commerce)	Computer Fundamental & Operating System	<p>a. Students understand the meaning and basic components of a computer system, hardware and software components of computer system,</p> <p>b. Students understand and identify different computing machines during the evolution of computer system, gain knowledge about five generations of computer system.</p> <p>c. They can identify and discuss the functional units of a computer system,</p> <p>d. Students understand how to operate operating system & its control.</p> <p>e. Students understand working in MS- OFFICE like MS- Word</p> <p>f. Students easily work in MS-Word like open, save, edit format & print documents, etc.</p>
13	B. Com. (Bachelor of Commerce)	Corporate Accounting	<p>a. The students make business or personal financial decisions, such as - taxpayer, investor or business owner.</p> <p>b. The students become aware about corporate accounting in conformity with the provisions of Companies Act.</p> <p>c. Students get knowledge about shares, debentures, preference shares and their importance in real situation & etc.</p> <p>d. They get knowledge about establishment & formation, run, liquidation of company,</p>

			e. They can supervise and advise on the financial activities and documentation pertinent to a company's or individual's investment portfolio, which may include stocks, bonds, real estate and other financial products.
14	B. Com. (Bachelor of Commerce)	Income Tax & Auditing	<p>a. The students get acquainted with the complicated world of tax policy, tax laws.</p> <p>b. They know about gross income, benefits, personal and charitable deductions, classes of income, the alternative minimum tax, second homes and non-statutory principles.</p> <p>c. Students learn about the administrative details which go into properly filing tax paperwork for both individuals and businesses. They also learn about regulatory agencies, tax appeals, penalties and responsibilities, assessment and litigation.</p> <p>d. Students learn about private business and governmental accounting practices. They also learn about career options, job growth and salary information for accounting.</p> <p>e. Accounting auditors can use their skills in several capacities, including working for government agencies or as internal auditors. Government auditors often closely examine the tax records of taxpayers to ensure proper payment has been made to a particular government agency.</p>
15	B. Com. (Bachelor of Commerce)	Money & Financial System	<p>a. Students trace the evolution of the term Bank, they understand the economic meaning of money.</p> <p>b. Student learns different definitions of money, functions of money and components of supply of money.</p> <p>c. They become aware of instruments of money supply, understand the meaning of high power money and its importance.</p>
16	B. Com. (Bachelor of Commerce)	Business Mathematics & Statistics	<p>a. The students of this course gets knowledge of Mathematics and Statistical techniques as are applicable to business and economic situations.</p> <p>b. The students are able to solve problems from the business in the world.</p> <p>c. The students are prepared for successful careers using their mathematical and statistical skills.</p> <p>d. The students are trained thoroughly in methods of analysis and algebra, including the computational skills appropriate for mathematicians to use when solving problems.</p> <p>e. Student gets developed in him the skills pertinent to the practice of mathematics, abilities to formulate problems, think creatively and synthesize information.</p> <p>f. Students use current mathematical concepts and data</p>

			analysis techniques for problem solving & to develop oral and written communication skills.
17	B. Com. (Bachelor of Commerce)	Information Technology & Business Data Processing	<p>a. Students learn data processing related to daily business and office operations.</p> <p>b. The students learn technical skills related to programming, software, and data processing, mathematics, basic information systems, business, systems management etc.</p> <p>c. Students learn about data processing which includes - inputting, formatting, editing and proofreading data in a computer system.</p>
18	B. Com. (Bachelor of Commerce)	Cost & Management Accounting	<p>a. The students of this course expose them to the basic concepts and tools used in</p> <p>b. Cost and Management Accounting and provide an understanding of the application of accounting techniques for management.</p> <p>c. They can have career in professional accountancy and as a home business.</p>
19	B. Com. (Bachelor of Commerce)	Business Environment	<p>a. The students enable the firm to identify opportunities and Getting first mover advantage.</p> <p>b. Students learn about tapping and assembling resources.</p> <p>c. Students know to adjust and adapt with the rapid changes.</p> <p>d. Students learn about planning and policy making.</p>
20	B. Com. (Bachelor of Commerce)	Business Regulatory Framework and Company Law	<p>a. The Business program offers a comprehensive overview and practical experience that can help future business leaders feel confident in their understanding of the laws that apply to their sectors.</p> <p>b. Legal studies guide business professionals in ethics and laws.</p> <p>c. Many law graduates are successful in various industries and more became world leaders who are highly respected.</p> <p>d. Studying law allows students to understand the reasons behind the regulations.</p> <p>e. Law students develop the ability to argue from a basis of evidence in a way which can be hard for others to do; this actively cultivates advanced communication skills, keen problem-solving abilities and the capacity for independent thinking. As a result, law graduates adapt very well in various situations or career transitions.</p>
21	B. Com. (Bachelor of Commerce)	Indian Banking System	<p>a. Students will gain insights into the various types of banks and their role in Indian economy.</p> <p>b. Students will also gain insights into the various types of non-banking institutions and their role in Indian economy.</p> <p>c. Students will understand the difference among the</p>

			<p>banking and non-banking sectors.</p> <p>d. Studying the course will help students to familiarize with the various functions of the retail banks and their associated procedural aspects.</p> <p>e. Students will understand the significance and application of online banking in changing scenario of finances.</p>
22	B. Com. (Bachelor of Commerce)	Fundamental of Insurance	<p>a. Students will be able to understand the functional aspects of the insurance sector.</p> <p>b. The course benefits the students by gaining knowledge of the various insurance schemes and their applicability.</p> <p>c. The course offers insights into the functional aspects of the insurance industries and the current scenario of the sector.</p> <p>d. Students will be empowered to get career opportunities in the insurance sector.</p>
23	B. Sc. (Bachelor of Science)	Physics	<p>a. The students of physics know about mechanics, acdc circuits, quantum mechanics, solid state physics, geo-physics, renewable energy, nuclear physics, superconductivity, nano-science, electromagnetism, optics, relativity, thermodynamics, electronics, etc.</p> <p>b. They get knowledge biomedical sciences and become health conscious since they know about ultrasonography, X-rays, radiation therapy, etc.</p> <p>c. Upon completion of the course student can go for master's degree in Physics with specialization in solid state physics, material science, condensed matter, electronics, optics, radiology, nuclear physics etc.</p> <p>d. Students can apply fundamental principles of Physics in real life.</p> <p>e. They become able to teach physics to secondary school pupils.</p> <p>f. The students of physics become competent to apply for MPSC and other recruitment board examinations.</p> <p>g. Students can plan, execute and report the results of a complex extended experiment.</p> <p>h. They can choose appropriate models to analyze data and draw conclusions.</p> <p>i. They can use appropriate software such as programming languages and packages in physics experimentation.</p> <p>j. They develop ability to perform any new experiment and to draw conclusions.</p> <p>k. Students of physics become sensitive towards energy saving, using natural resources carefully and environment conscious.</p> <p>l. The scientific attitude is inculcated among the</p>

			<p>students.</p> <p>m. They develop attitude of rational thinking by applying scientific principles and justifying the act accordingly. They can assess the superstitions/ blind faiths occurring in their surrounding and helps to eradicate the same.</p> <p>n. Both written and oral discussions challenge the students of physics to think more broadly about the laws of nature and its impact on humanity.</p>
24	B. Sc. (Bachelor of Science)	Chemistry	<p>a. Students become an outstanding graduate in the modern scientific world.</p> <p>b. They become eligible for higher studies.</p> <p>c. They become good teachers at middle and high school.</p> <p>d. They become competent to apply for MPSC, and other recruitment board examinations.</p> <p>e. Students secure a good job like lab chemist in chemistry oriented industries and manufacturers.</p> <p>f. They understand fundamental and basic concepts of organic, in-organic, physical and analytical chemistry.</p> <p>g. They get familiarized about mechanistic approach of various organic and inorganic reactions.</p> <p>h. They learn and apply practical aspects of chemistry by means of qualitative, quantitative and instrumental methods.</p> <p>i. They become good citizens by learning ethics of the society.</p>
25	B. Sc. (Bachelor of Science)	Mathematics	<p>a. Students demonstrate understanding of common body of knowledge in Mathematics.</p> <p>b. Student acquires the knowledge and understanding of all branches of Mathematics.</p> <p>c. Student maintains a core of Mathematical and technical knowledge which is adaptable to changing technologies and provides a solid foundation for future learning.</p> <p>d. Students can be able to perform basic computations in higher mathematics</p> <p>e. Student demonstrates the ability to apply analytical and theoretical skills to different model and solve mathematical problems.</p> <p>f. Student can apply critical thinking and communication skills to solve applied problems.</p> <p>g. Student can demonstrate the ability to analyze data and design appropriate statistical conclusions.</p> <p>h. Student can apply mathematical concepts and principles to perform computations of problems.</p> <p>i. Student becomes able to develop and maintain problem solving skills.</p>

			<ul style="list-style-type: none"> j. Student demonstrates the ability to effectively utilize a variety of teaching techniques and classroom strategies to positively influence student learning. k. Student use their logic and are able to create, use and analyze graphical representations of mathematical relationships. l. Students become able to use logical reasoning and positive attitude to face the various competitive exams. m. Students can accumulate successful and positive problem solving experience through logical reasoning. n. Students understand the importance of logical reasoning and positive approach in doing and learning Mathematics. o. Students can aware the people about the importance of knowledge of mathematics in their daily life. p. As a part of ethical leadership students demonstrate the ability to think critically, research, and reason. q. Students are able to communicate mathematical ideas with others. r. As a part of cultural competence Students recognize and differentiate among diverse cultures through the history of mathematics.
26	B. Sc. (Bachelor of Science)	Electronics	<ul style="list-style-type: none"> a. They get the knowledge of basic electrical and electronic components. b. They acquire the knowledge of active components like – diode, transistor, FET, MOSFET, UJT, SCR, photodiode, LED, LDR etc. c. They become able to explain about digital logic gates, flip flops, counters, registers, encoders, decoders, memories, etc. d. They get the knowledge of various amplifiers, oscillators, AD and DA converters. e. They get the knowledge of analog and digital communication, optical fiber communication. f. They acquire the knowledge of various microprocessors and microcontrollers. g. They become aware of basic instrumentation, various transducers, sensors, actuators, display, etc. h. They get the knowledge of bio-medical instruments like – ECG, EEG, EMG, X- ray machine etc. i. Students can identify basic electrical and electronic components. j. They become able to handle the measuring instruments, k. They can design and assemble simple dc power supply. l. Students can design and assemble low cost electronic circuits useful for society.

Bhatkuli, Dist. Amravati**

POs, PSOs and COs & its Attainment

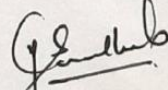

The institute will evaluate the attainment of POs, PSOs and COs as per the following table.

Attainment level	Explanation	Target/Threshold score
0	If less than 25% of the students score threshold percentage	Theory 40% Practical 60% Internal assessment 75%
1	If 26-50% of the students score above threshold percentage	
2	If 51-75% of the students score above threshold percentage	
3	If more than 75% students score above threshold percentage	

The set of POs, PSOs and COs for the running curriculum in the campus are given overleaf. The teaching staff and the students are instructed to go through it for proper understanding.

MINUTES OF THE MEETING

Date: 04/04/2018

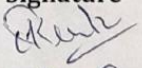

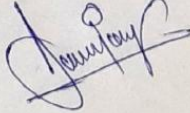

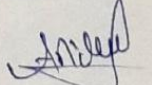

The IQAC meeting with all Head of the Department was held on 04/04/2018, 11:00 am at Principal's office. The following points were noted as minutes of the meeting:

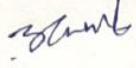

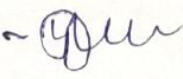

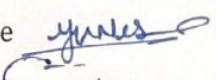

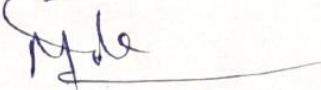

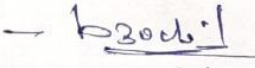

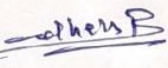

1. The minutes of the previous IQAC meeting was reviewed.
2. All Head of the Departments informed about the status of syllabus completion and the other co-curricular aspects.
3. The committee formed in previous meeting, reported the formulation of POs, PSOs and COs and criteria for attainment of the same. The details about the same are enclosed herewith. The IQAC through all the Head of the Departments will be responsible for conveying it to all students and the displaying it on college website.
4. The various issues from teaching were addressed. The Principal resolved the certain issues.

The meeting was concluded by the final remark of the Chairperson and ended with the vote of thanks.

MINUTES OF THE MEETING

Date: 07/11/2017

The IQAC meeting with all the faculty members was held on 07/11/2017, 11:30 am at Principal's chamber. The following points were noted as minutes of the meeting:

1. The minutes of the previous meeting were reviewed.
2. The syllabus completion status was reviewed. All faculties reported the status of syllabus completion. Specific instructions were provided to comply with schedule.
3. The Principal appreciated the efforts made by IQAC and all the faculty members for up-gradation to grade 'B' in 2nd cycle over the grade 'C' in the 1st NAAC cycle. IQAC is informed about the report of the NAAC peer team visit and directed to prepare planning for next cycle of accreditation.
4. Also, under the supervision of IQAC a committee was appointed to formulate the Program Outcomes (POs), Program Specific Outcomes (PSOs) and Course Outcomes (COs) of the various courses taught in the campus.

MINUTES OF THE MEETING

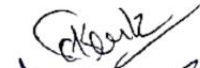

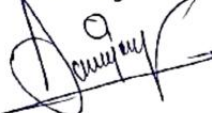

Date: 15/06/2017

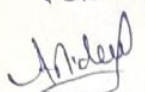

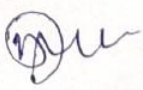

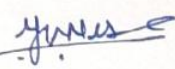

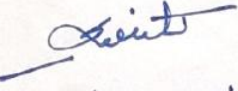

The meeting was held on 15/06/2017 at 11:30 am at Principal's chamber. The following points are noted as minutes of the meeting:

1. All Head of the Departments reviewed their activities and results of the academic session 2016-17. The faculties had successfully completed the curricular and co-curricular activities.
2. IQAC along with Heads of all Departments will prepare the academic calendar for the current session 2017-18.
3. Various committees were formed for the smooth conduction of the session.
4. All Departments and their faculties under the supervision of IQAC are instructed to get ready and prepare for NAAC peer team visit of 2nd cycle of accreditation. Principal and IQAC will chalk out the plan for it.
5. The various issues from teaching and students were addressed. The Principal resolved the certain issues.

The meeting was concluded by the final remark of the Chairperson and ended with the vote of thanks.

Stakeholders Feedback Report

2021-22

1.4.1 and 1.4.2

Institution obtains feedback on the syllabus and its transaction at the institution from the following stakeholders

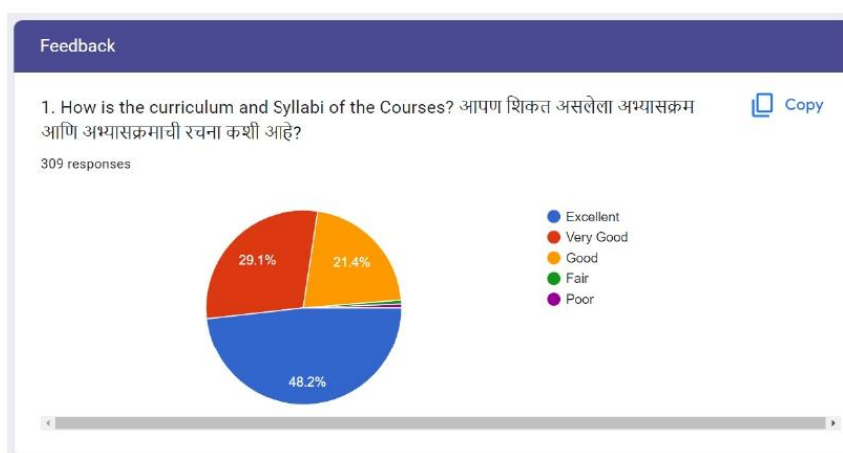

REPORT

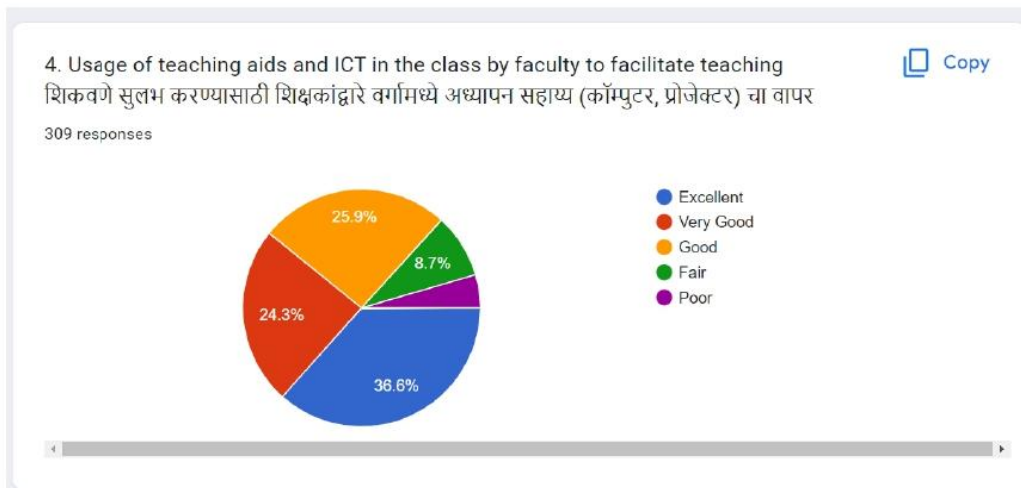

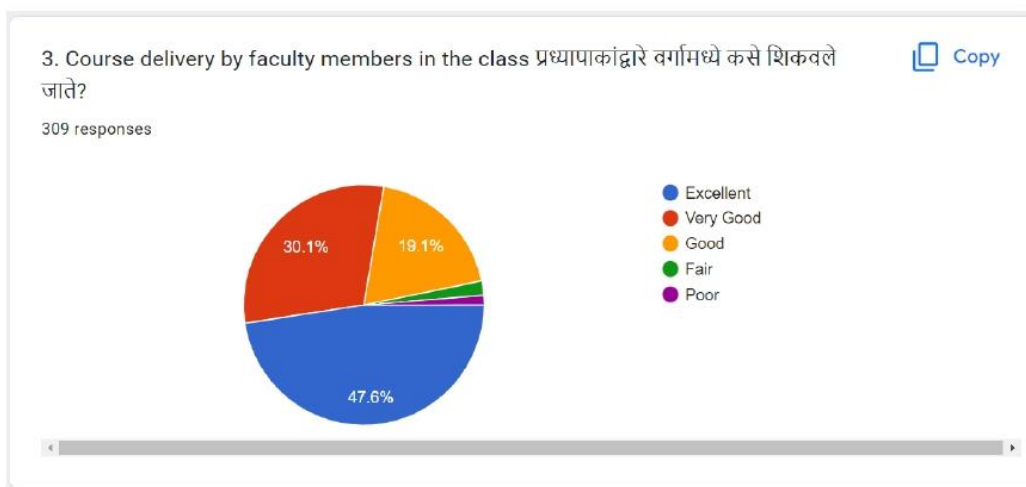

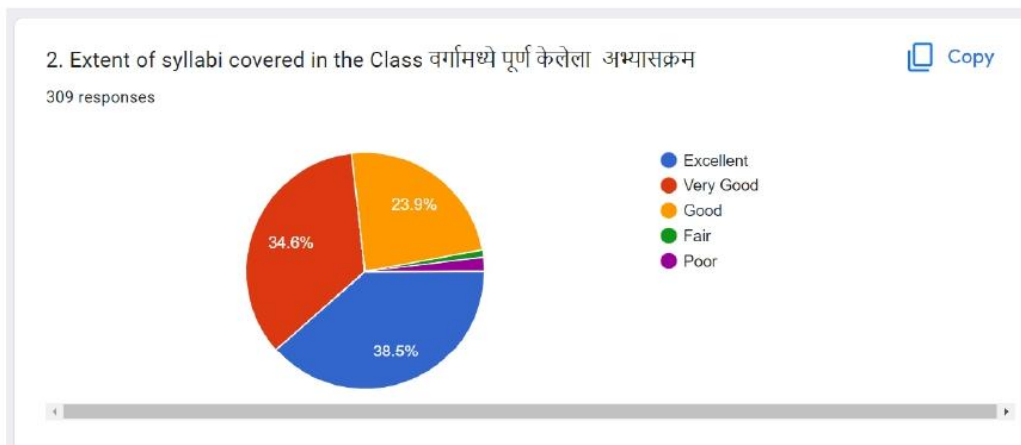

The college operates on the mechanism where opinion of every stakeholder is given importance. Feedback from the Students, Teachers, Alumni and Employer is inevitable in the development of the institution. An online feedback from all the stakeholders was collected using Google form. Each category of stakeholder was provided with separate link of the Google form and the questions therein were also different as per the concerned category of the stakeholder.

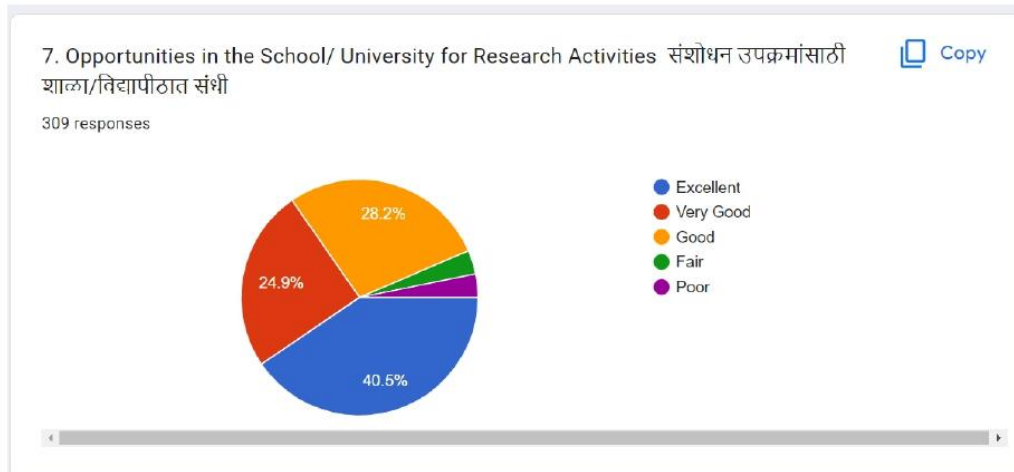

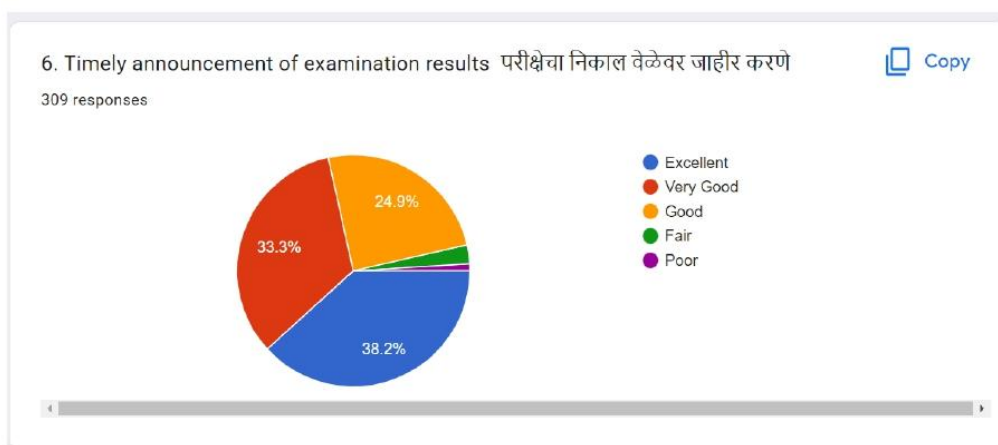

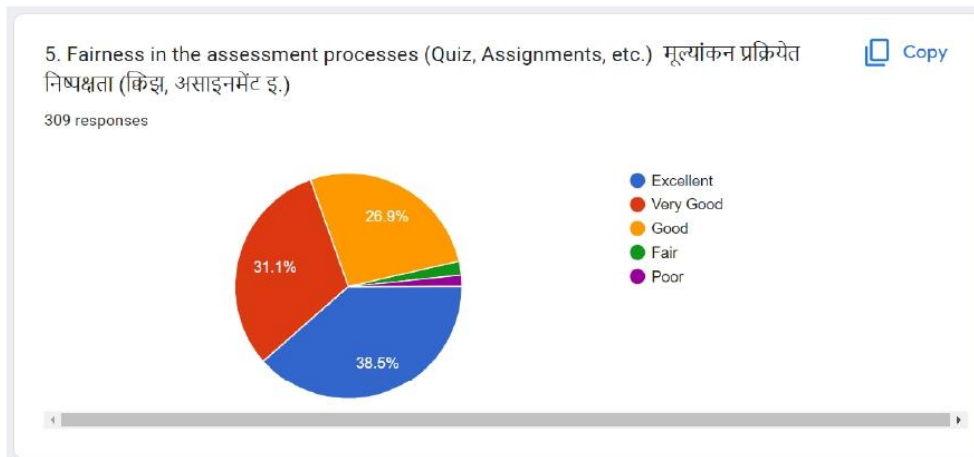

The responses in the feedback were considered by the IQAC and compiled report on the basis of the received feedback is prepared.

Students Feedback

Here, the report on the feedback is presented in the form of percentage response received against each question. For each question five options were given. The students had given their honest opinion. Total numbers of responses received are 309. The concerned questions and received percentage response data in the form of pie chart is presented below:

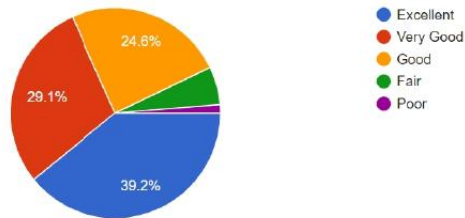

8. Opportunity for students to participate in internship, student exchange, field visit
 विद्यार्थ्यांना इंटर्नशिप, स्टुडंट एक्सचेंज, फील्ड व्हिजिटमध्ये सहभागी होण्याची संधी

[Copy](#)

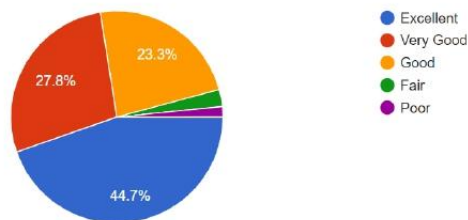

309 responses

9. Opportunities for out of class room learning (guest lectures, seminars, workshop, conferences, competitions) वर्गाबाहेर शिकण्याच्या संधी (अतिथी व्याख्यान, सेमिनार, कार्यशाळा, परिषदा, स्पर्धा)

[Copy](#)

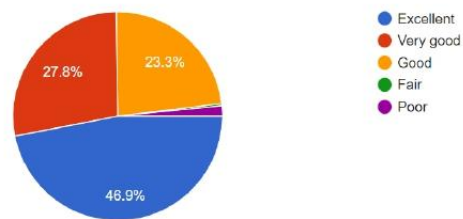

309 responses

10. Overall Learning Experience एकूणच शिकण्याचा अनुभव

[Copy](#)

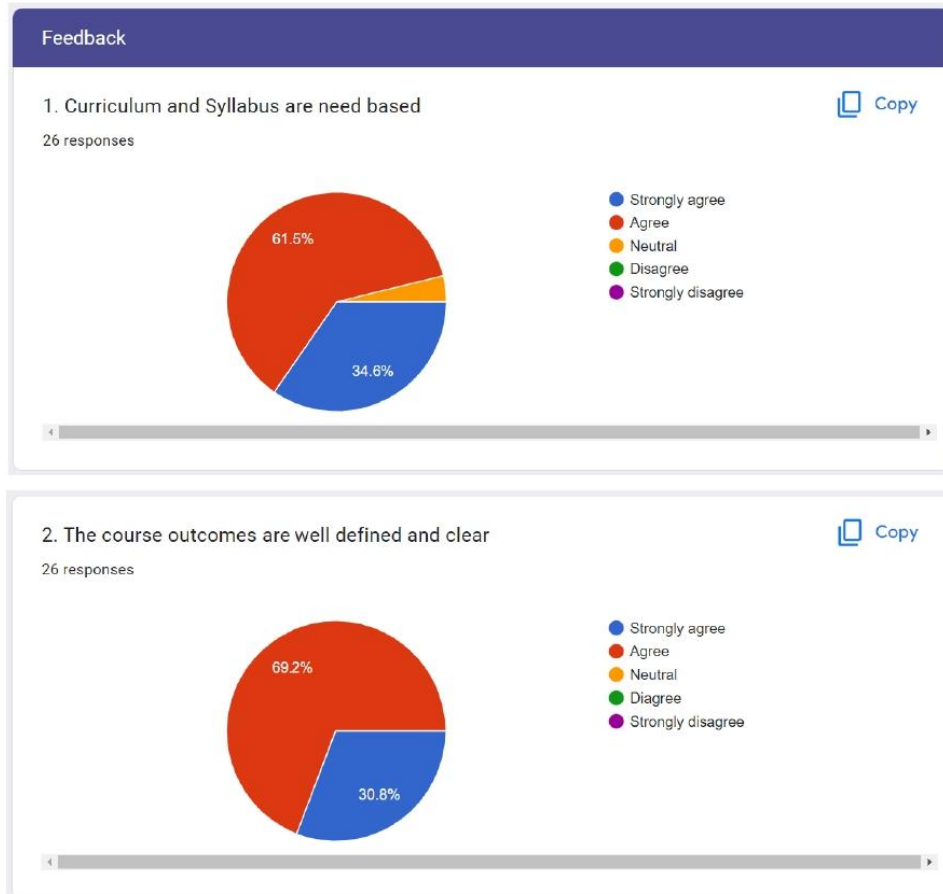

309 responses

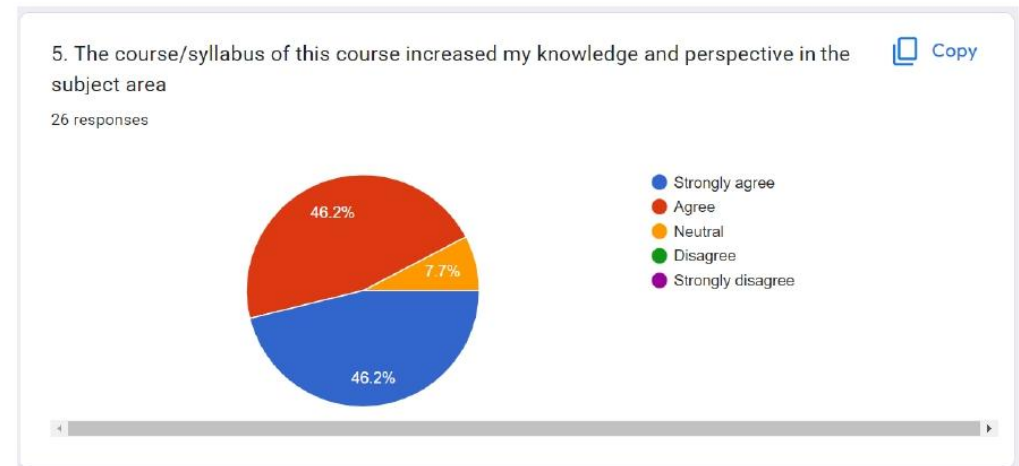

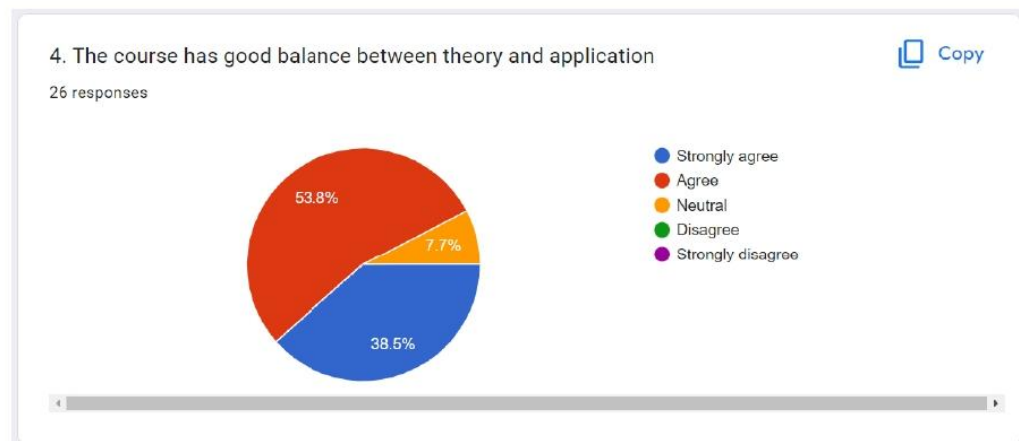

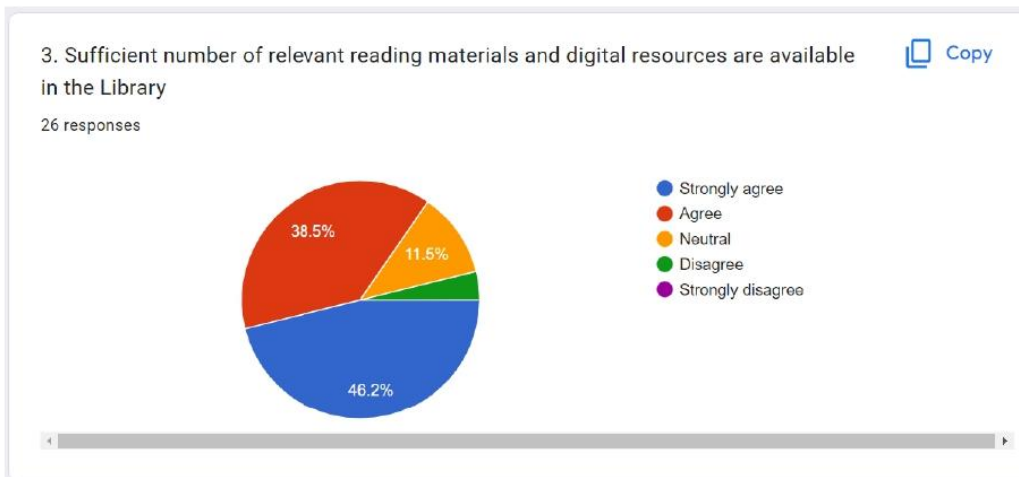

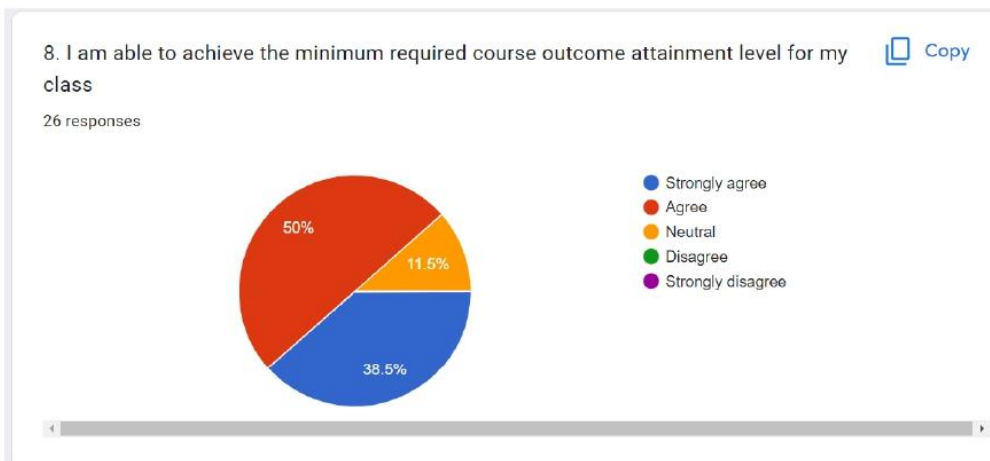

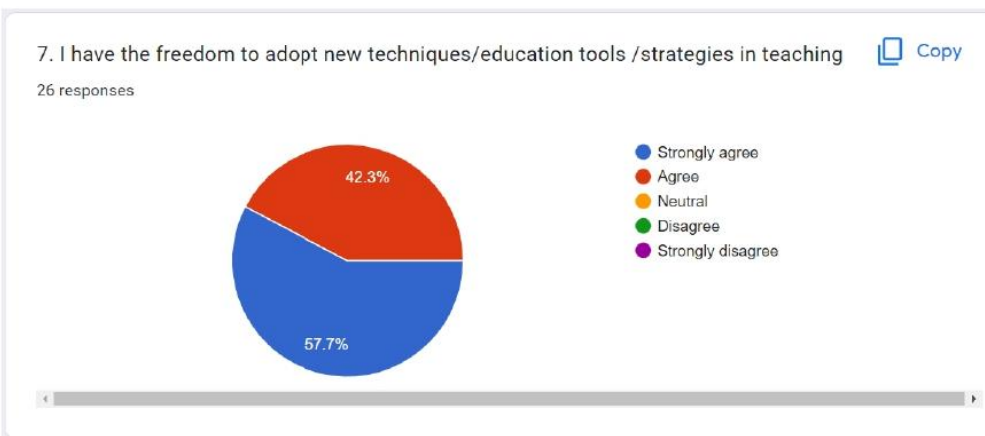

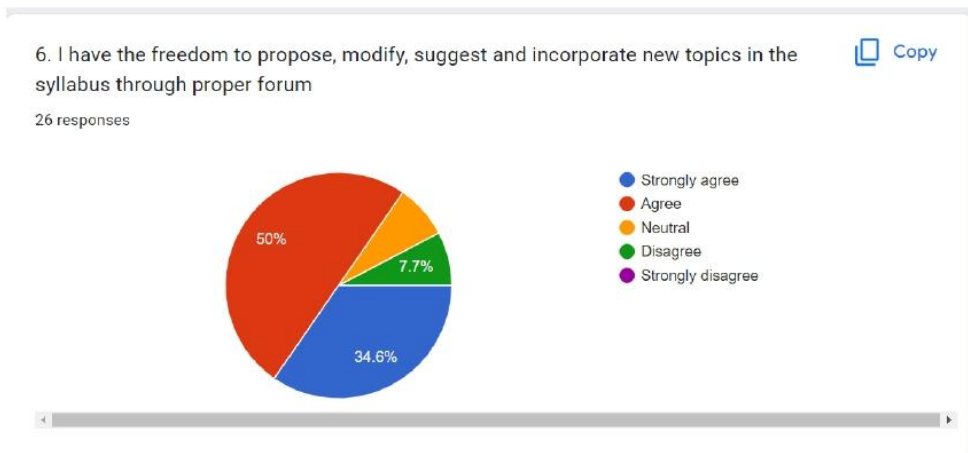

The responses received against various questions showed the data as above. These responses were discussed.

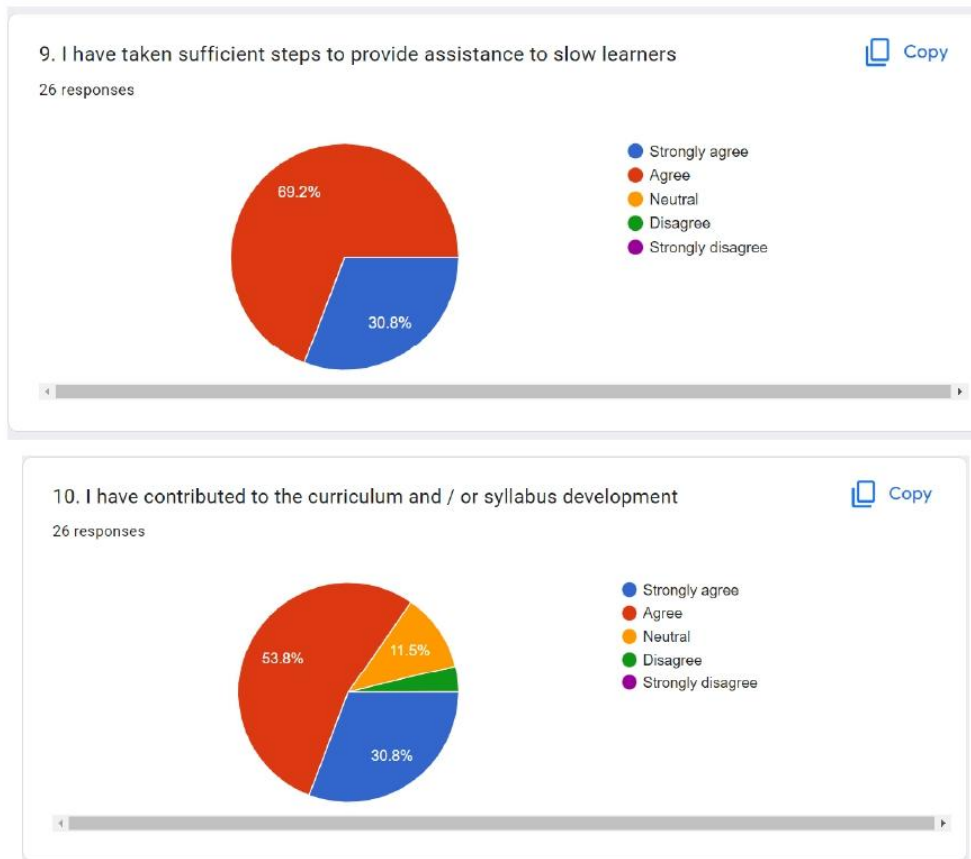

Teachers Feedback

Here, the report on the feedback is presented in the form of percentage response received against each question. For each question five options were given. The Teachers had given their honest opinion. Total numbers of responses received are 26. The concerned questions and received percentage response data in the form of pie chart is presented below:

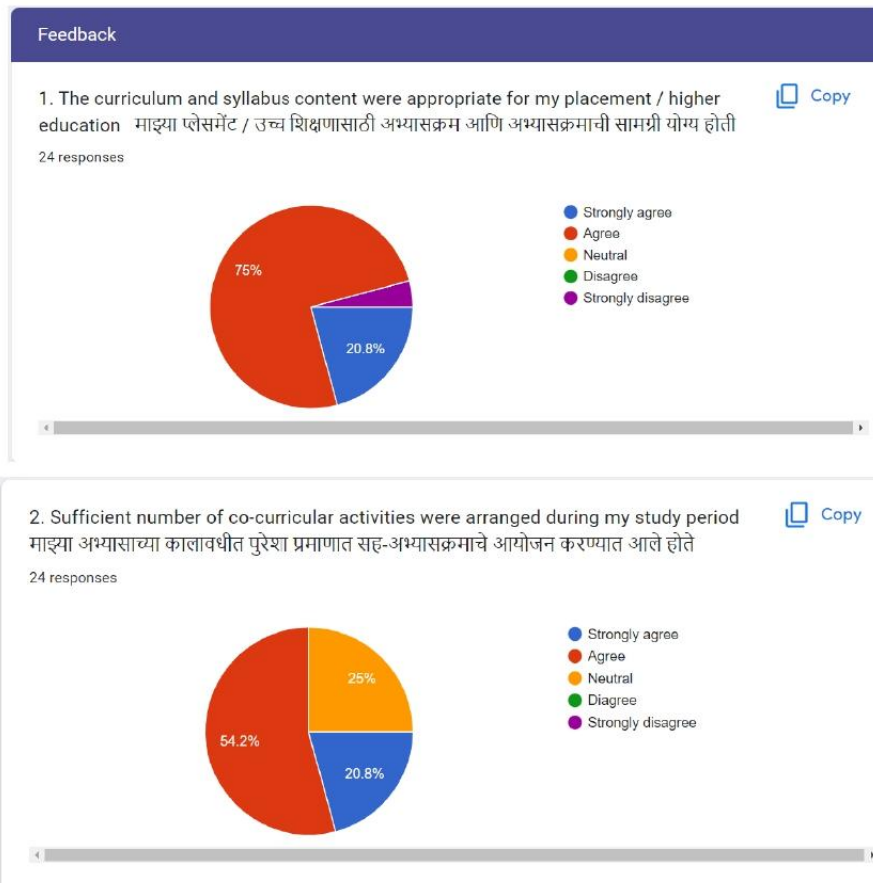

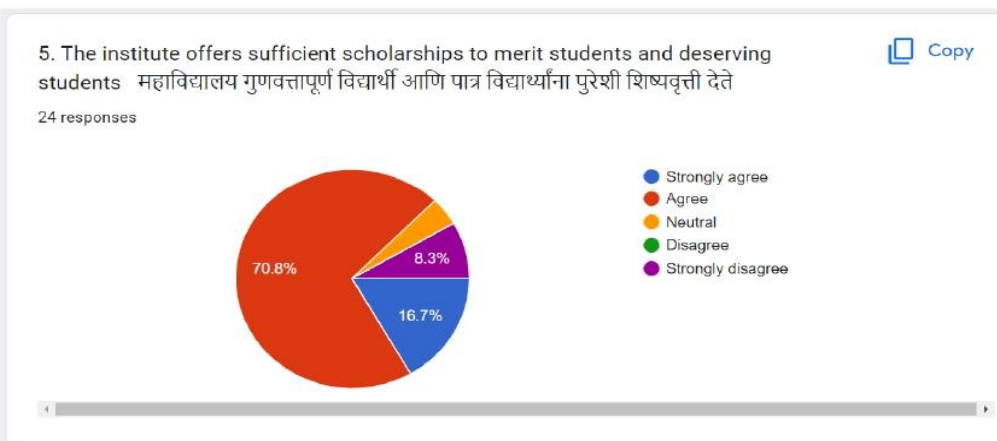

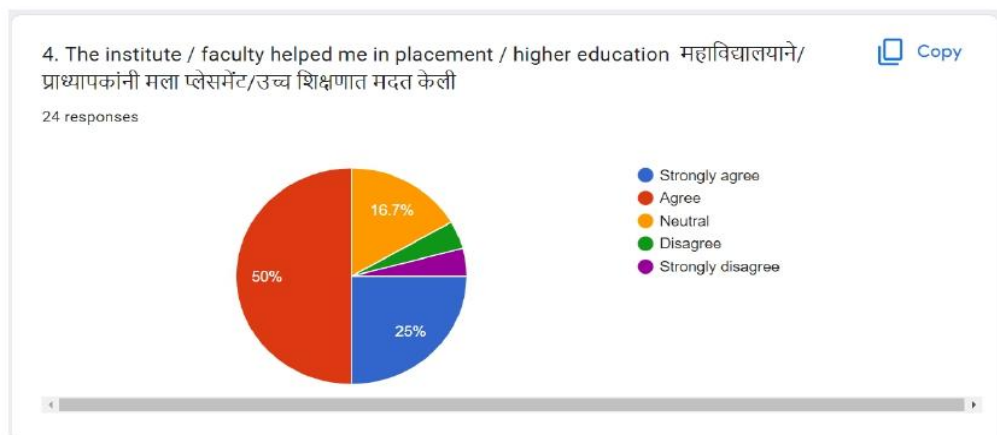

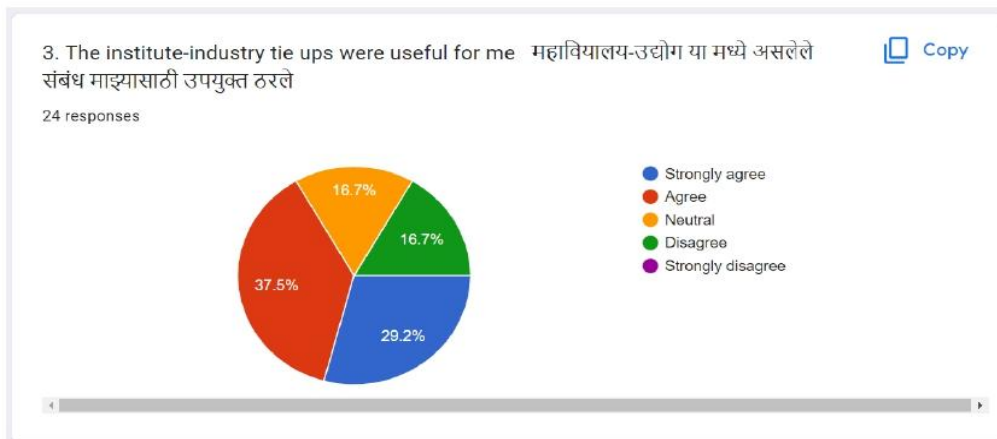

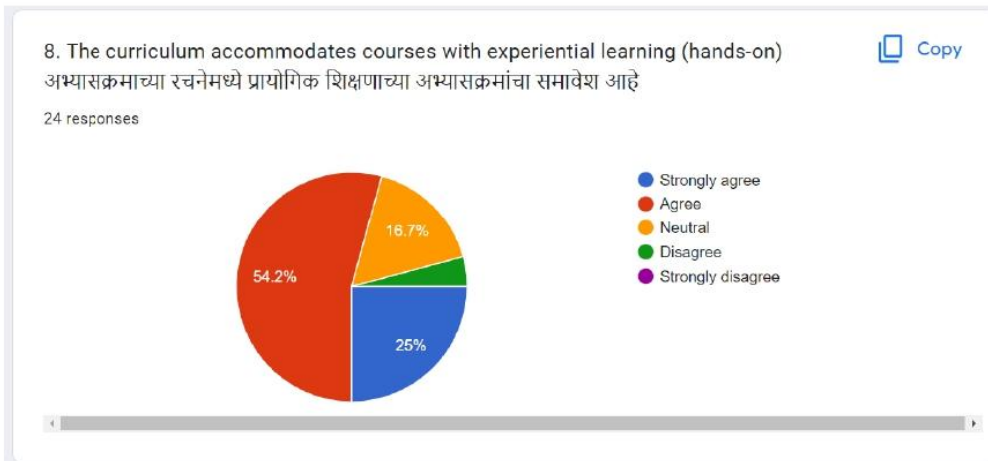

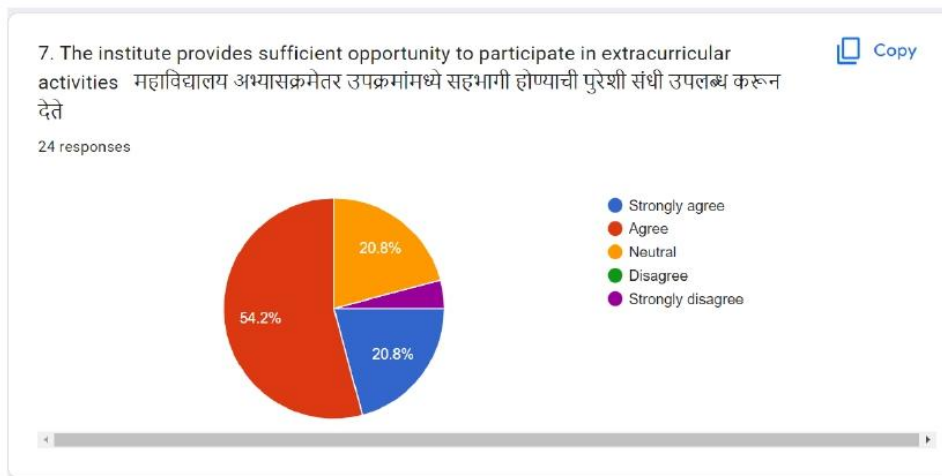

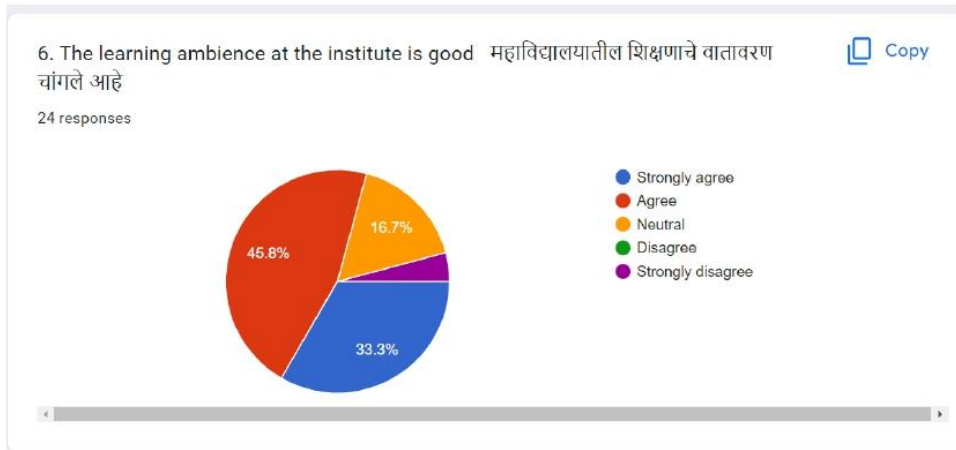

The responses received against various questions showed the data as above. These responses were discussed.

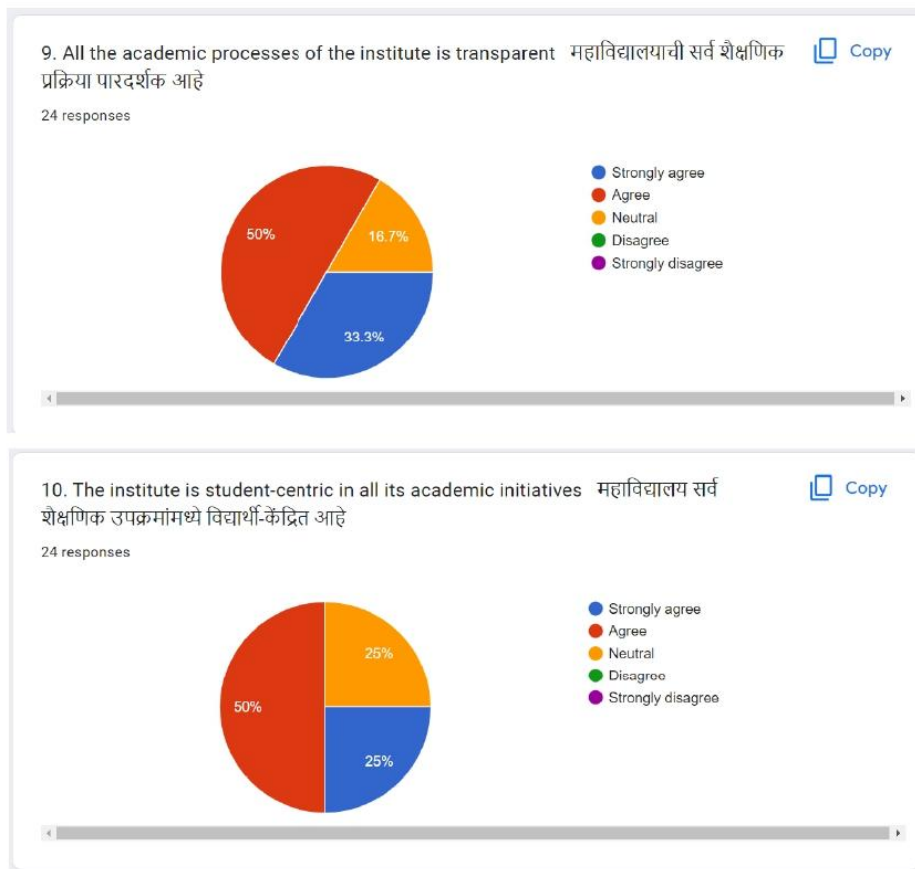

Alumni Feedback

Here, the report on the feedback is presented in the form of percentage response received against each question. For each question five options were given. The Alumni had given their honest opinion. The concerned questions and received percentage response data in the form of pie chart is presented below:

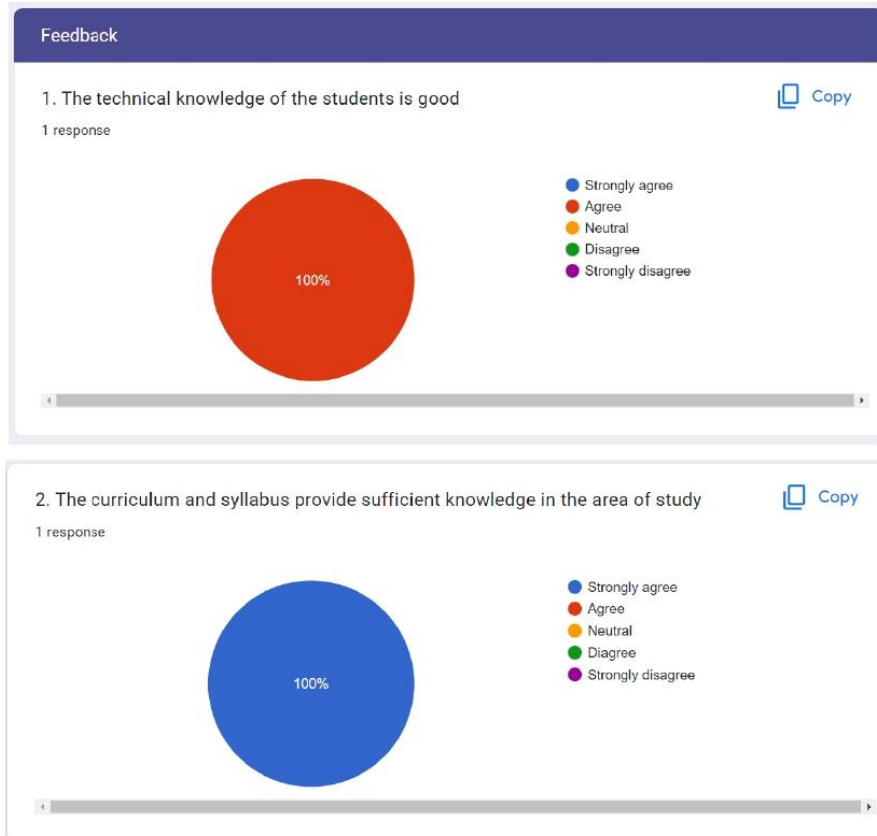

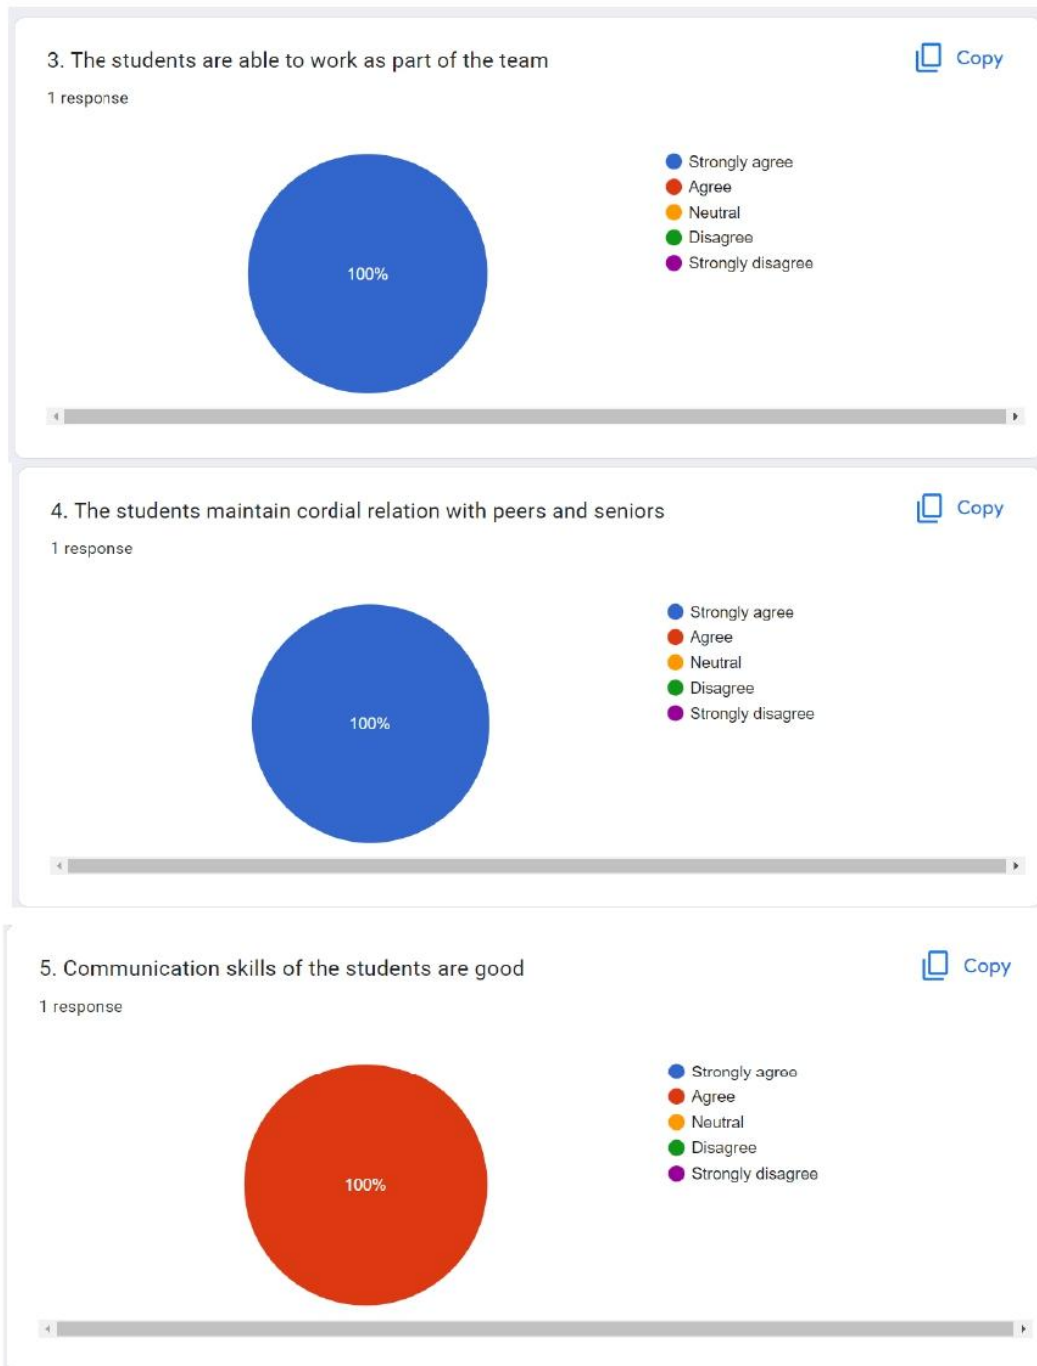

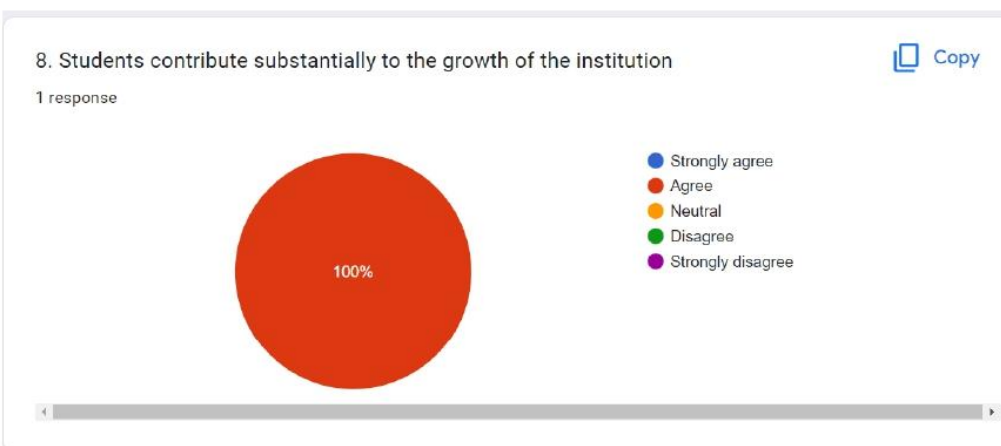

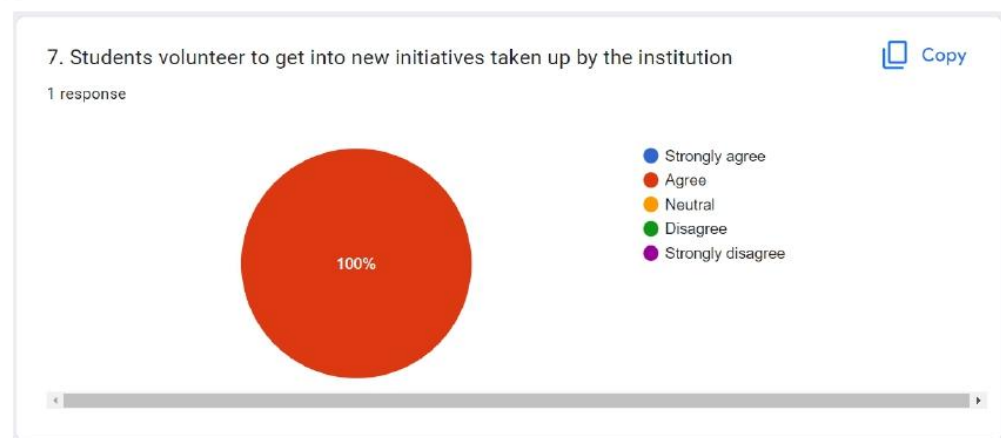

The responses received against various questions showed the data as above. These responses were discussed.

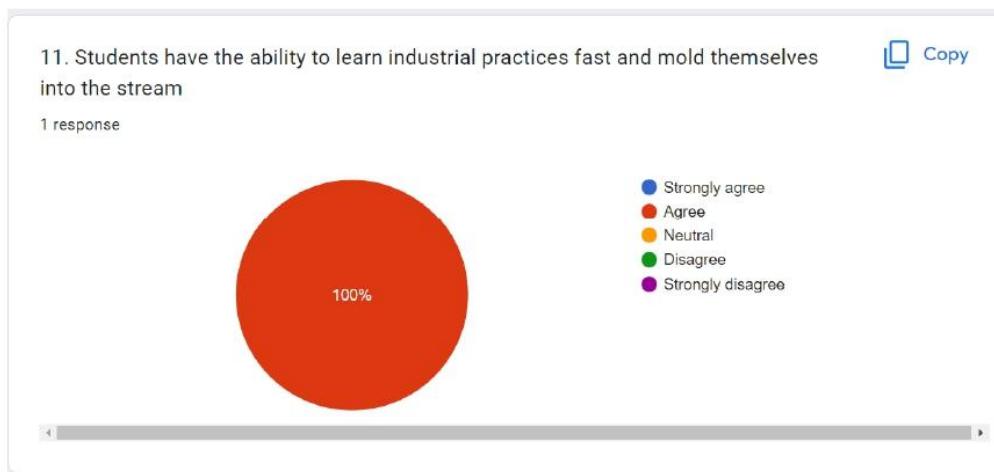

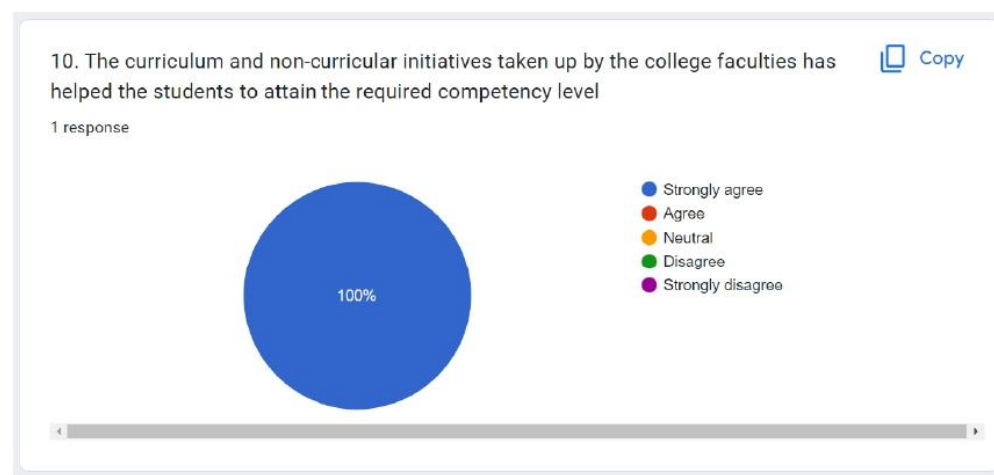

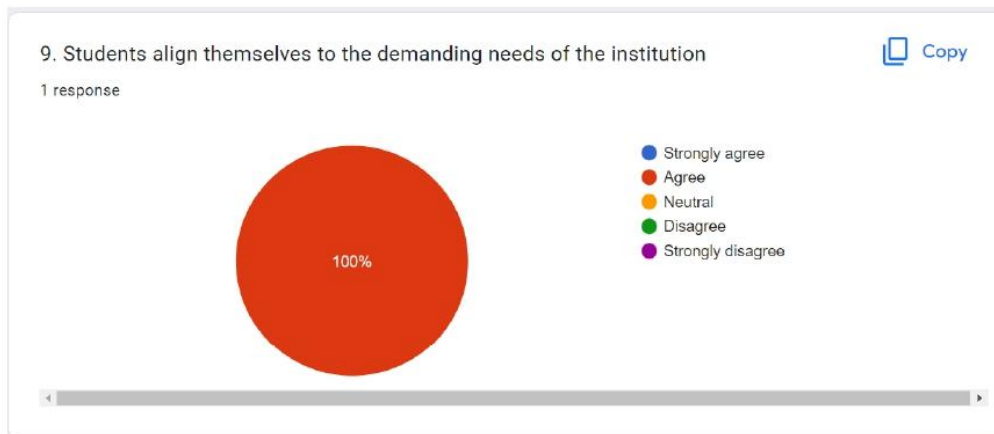

Employer Feedback

Here, the report on the feedback is given as the response received against each question. For each question five options were given. The Principal as an Employer had given his honest opinion. The concerned questions and received response is presented below:

2020-21

1.4.1 and 1.4.2

Institution obtains feedback on the syllabus and its transaction at the institution from the following stakeholders

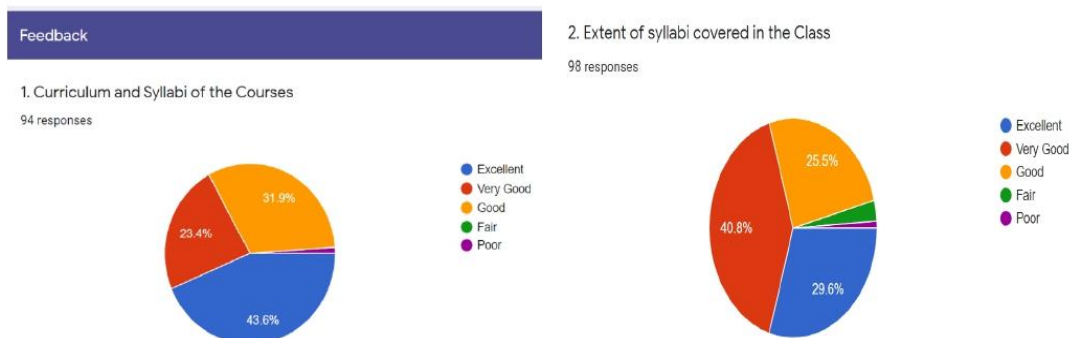

REPORT

The college operates on the mechanism where opinion of every stakeholder is given importance. Feedback from the Students, Teachers, Alumni and Employer is inevitable in the development of the institution. In this context, as the session 2020-21 is continuing online due to COVID-19 pandemic, online feedback from the above mentioned was collected using Google form. Each category of stakeholder was provided with separate link of the Google form and the questions therein were also different as per the concerned category of the stakeholder.

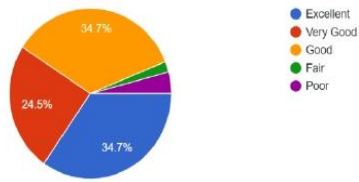

The responses in the feedback were considered by the IQAC and compiled report on the basis of the received feedback is prepared.

Students Feedback

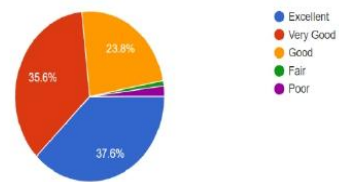

Here, the report on the feedback is presented in the form of percentage response received against each question. For each question five options were given. The students had given their honest opinion. Total number of responses received till date are 171. The concerned questions and received percentage response data in the form of pie chart is presented below:

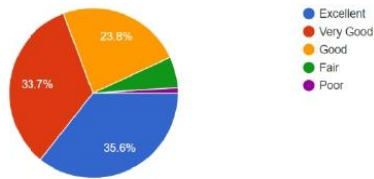

3. Course delivery by faculty members in the class
98 responses

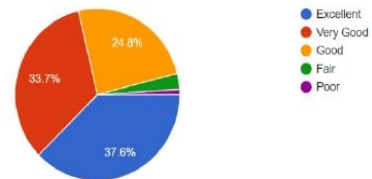

4. Usage of teaching aids and ICT in the class by faculty to facilitate teaching
101 responses

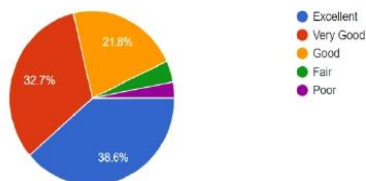

5. Fairness in the assessment processes (Quiz, Assignments, etc.)
101 responses

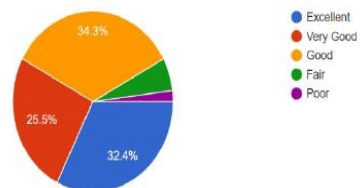

6. Timely announcement of examination results
101 responses

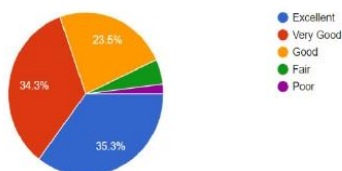

7. Opportunities in the School/ University for Research Activities
101 responses

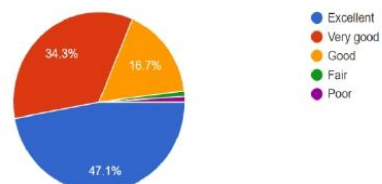

8. Opportunity for students to participate in internship, student exchange, field visit
102 responses

9. Opportunities for out of class room learning (guest lectures, seminars, workshop, conferences, competitions)
102 responses

10. Overall Learning Experience
102 responses

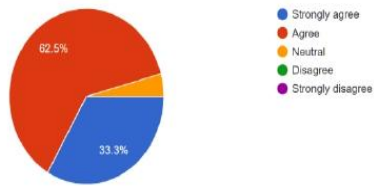

The responses received against various questions showed the data as above. These responses were discussed.

Teachers Feedback

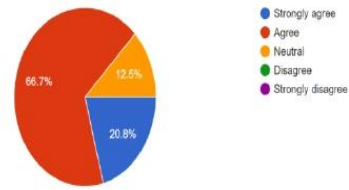

Here, the report on the feedback is presented in the form of percentage response received against each question. For each question five options were given. The Teachers had given their honest opinion. Total numbers of responses received are 26. The concerned questions and received percentage response data in the form of pie chart is presented below:

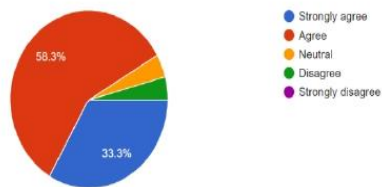

7. I have the freedom to adopt new techniques/education tools /strategies in teaching
24 responses

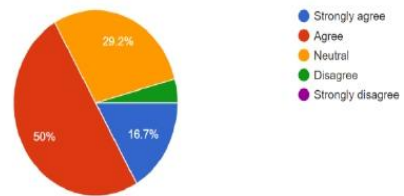

8. I am able to achieve the minimum required course outcome attainment level for my class
24 responses

9. I have taken sufficient steps to provide assistance to slow learners
24 responses

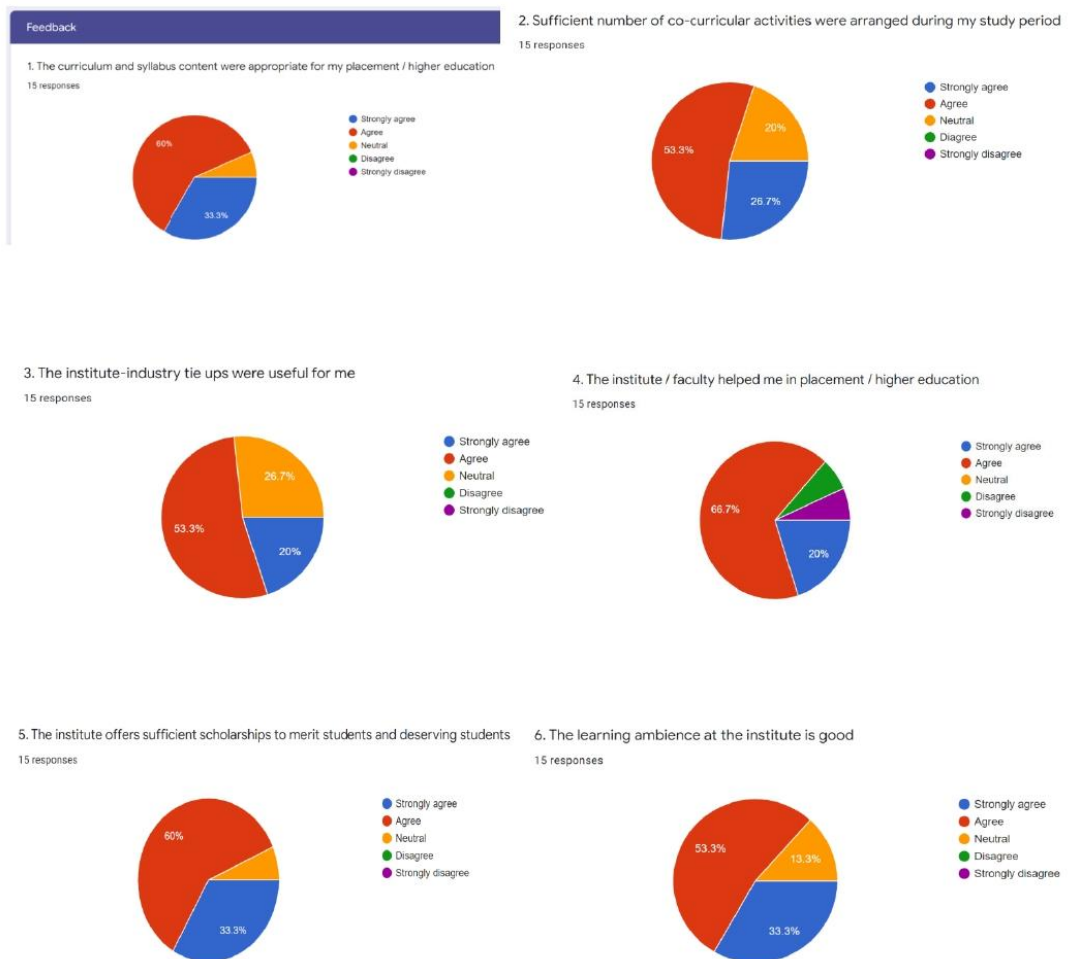

10. I have contributed to the curriculum and / or syllabus development
24 responses

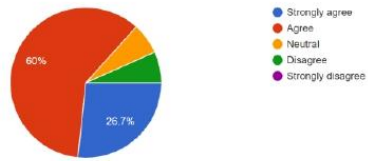

The responses received against various questions showed the data as above. These responses were discussed.

Alumni Feedback

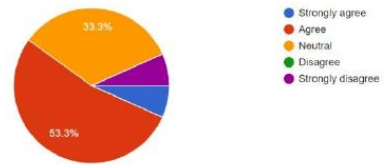

Here, the report on the feedback is presented in the form of percentage response received against each question. For each question five options were given. The Alumni had given their honest opinion. The concerned questions and received percentage response data in the form of pie chart is presented below:

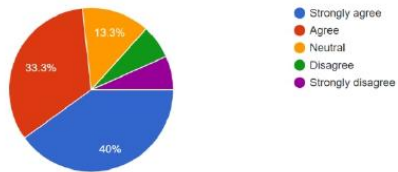

7. The institute provides sufficient opportunity to participate in extracurricular activities
15 responses

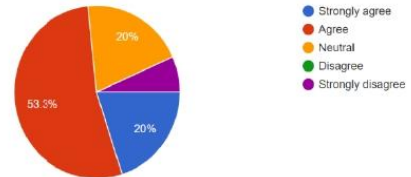

8. The curriculum accommodates courses with experiential learning (hands-on)
15 responses

9. All the academic processes of the institute is transparent
15 responses

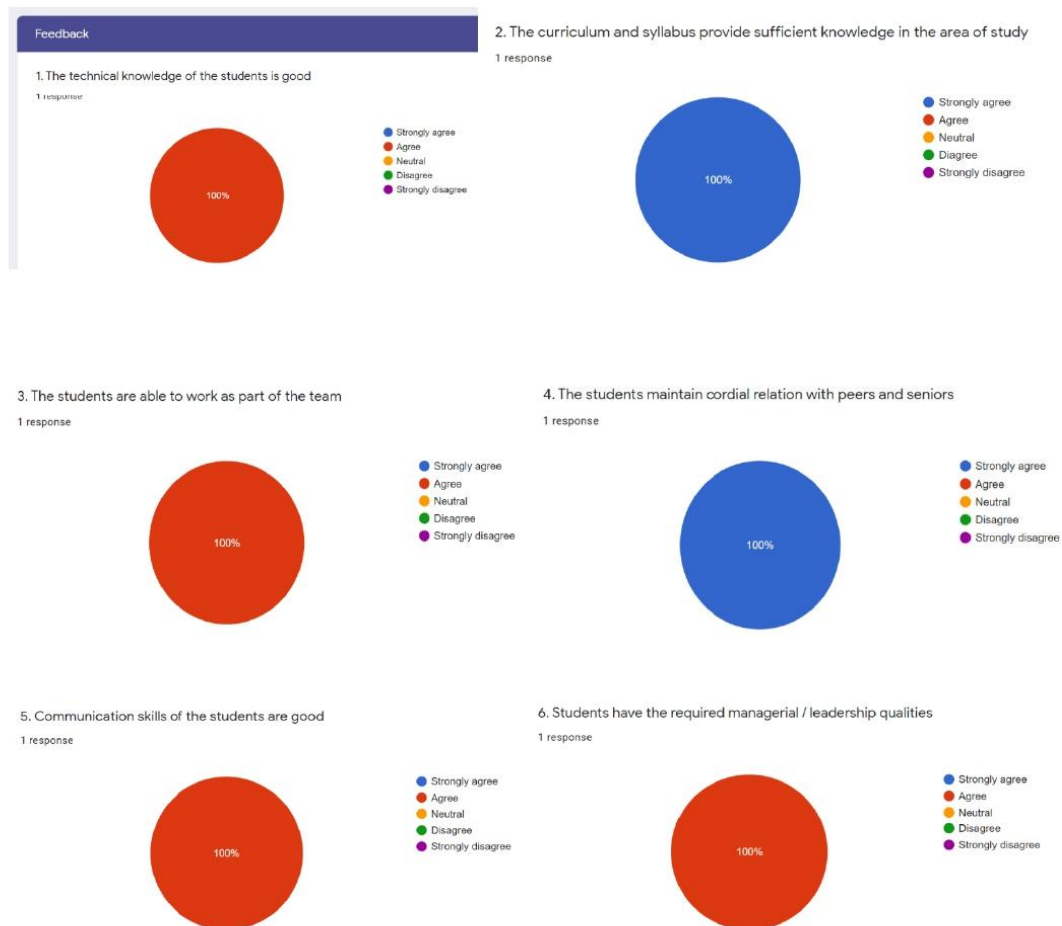

10. The institute is student-centric in all its academic initiatives
15 responses

The responses received against various questions showed the data as above. These responses were discussed.

Employer Feedback

Here, the report on the feedback is given as the response received against each question. For each question five options were given. The Principal as an Employer had given his honest opinion. The concerned questions and received response is presented below:

7. Students volunteer to get into new initiatives taken up by the industry

1 response

8. Students contribute substantially to the growth of the industry

1 response

9. Students align themselves to the demanding needs of the industry

1 response

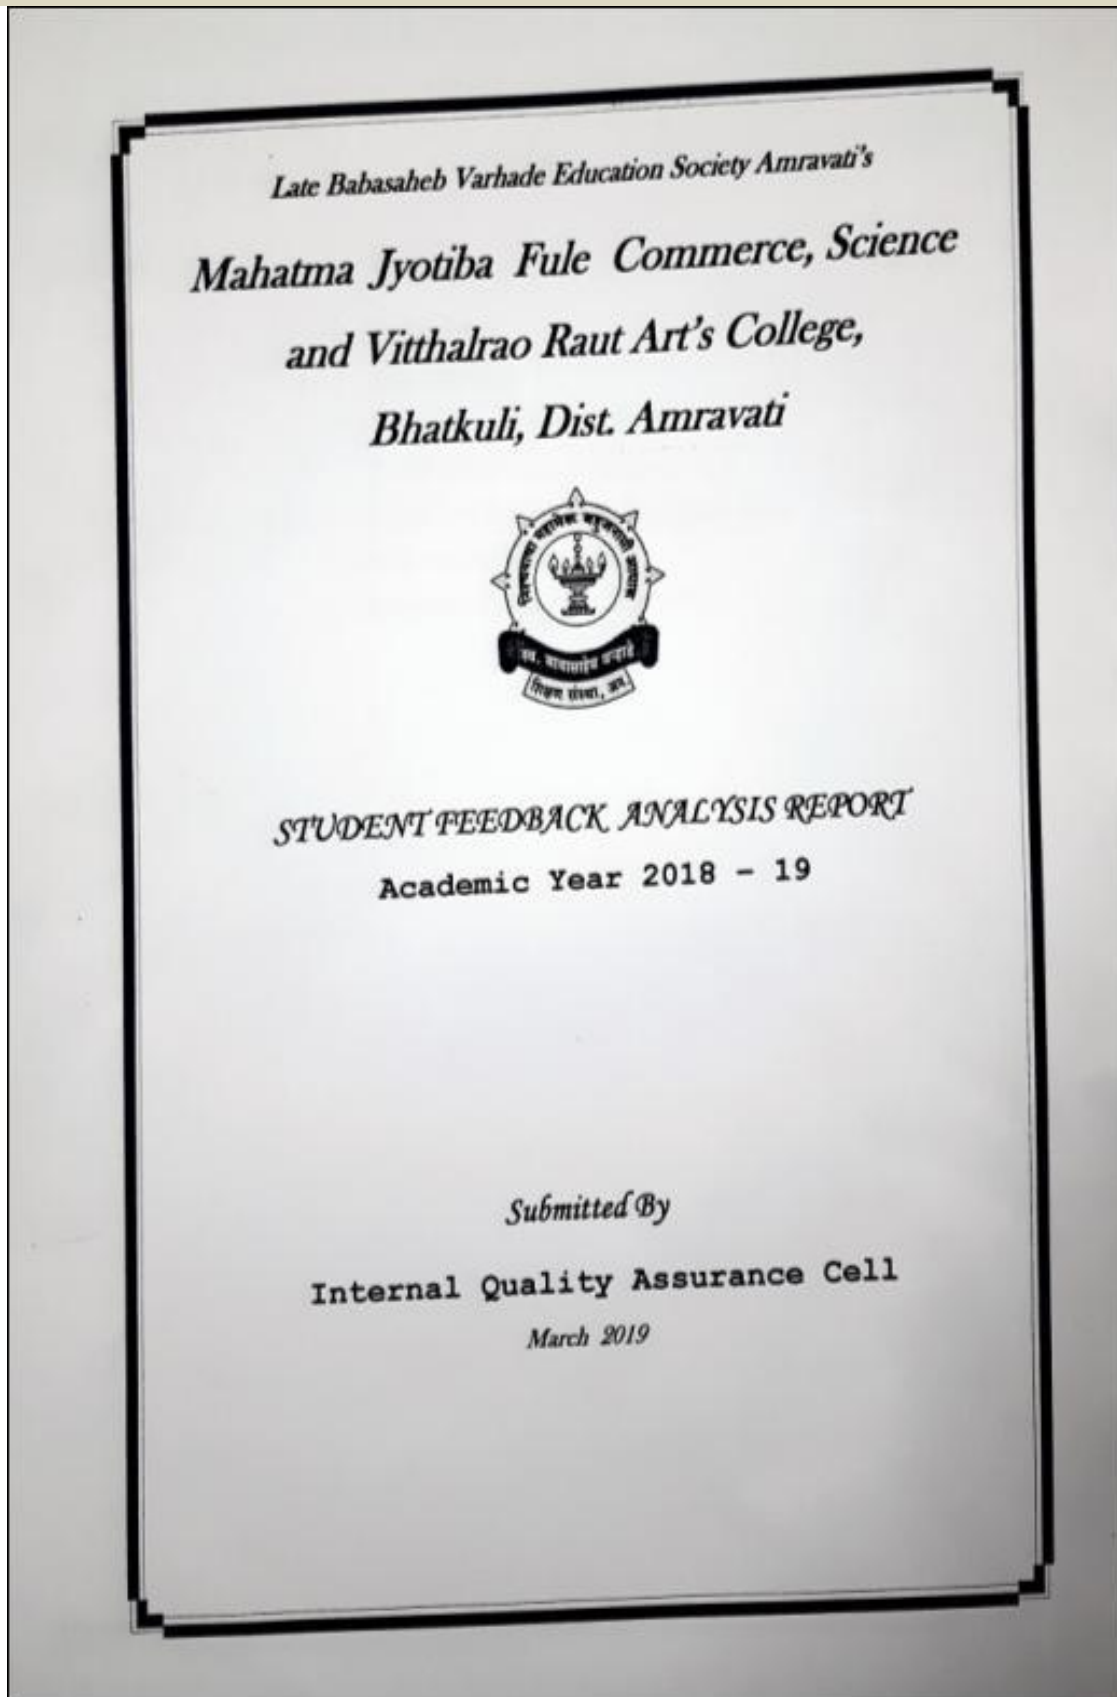

10. The curriculum and non-curricular initiatives taken up by the college faculties has helped the students to attain the required competency level

1 response

2018-19

STUDENT FEEDBACK FORM

Academic Year:- 20 ____ - ____

Name of Student:- _____

Course :- B. A. / B. Com. / B. Sc.

Year :- I / II / III

- Note :- Tick (✓) for correct answer.

Part A) Curriculum

1. Are you satisfied with the course in your chosen subject? Yes / No
2. Do you think the course you have chosen is sufficient to build this skill? Yes / No

Part B) Teaching Method

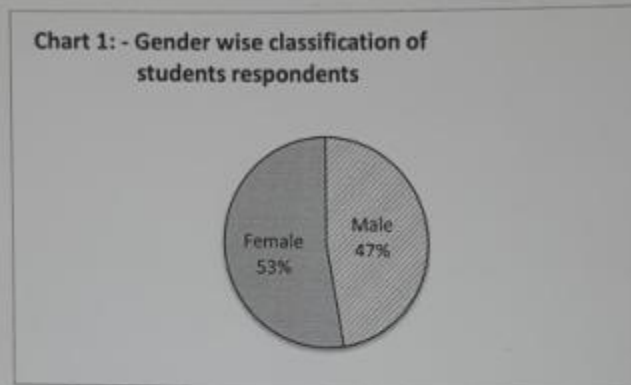

3. Are the teacher's hours regularized according to the schedule? Yes / No
4. Does the teacher use other teaching aids (ICT) along with the lecture? Yes / No
5. Does the teacher try to understand and solve your personal problems? Yes / No

Part C) Sports and Cultural Activities

6. Are there enough sports grounds and sports equipment in your college? Yes / No
7. Does the College conduct informative lectures by the NSS Department? Yes / No
8. Are cultural programs organized in the college? Yes / No
9. Does your college participate in Youth Festival? Yes / No

Part D) Available facilities in the college

10. Are the library facilities in the college perfect? Yes / No
11. Are the classroom facilities perfect? Yes / No
12. Are the laboratory and practical materials in the college perfect? Yes / No
13. Are the toilet facilities for boys and girls adequate in the college? Yes / No
14. Is drinking water facility available in the college? Yes / No
15. How are you treated by the office staff? Yes / No

6. STUDENTS FEEDBACK ANALYSIS:**a. STUDENT PROFILE:**

Data was collected from the students of various courses. As explained earlier, total 266 responses have been collected from the students. Chart 1 shows from the responses that 47% were male and 53% were female.

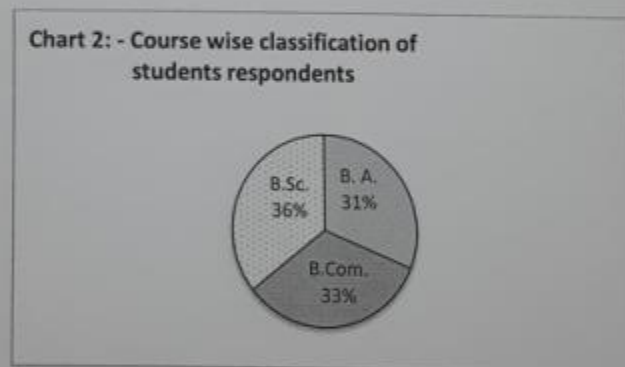

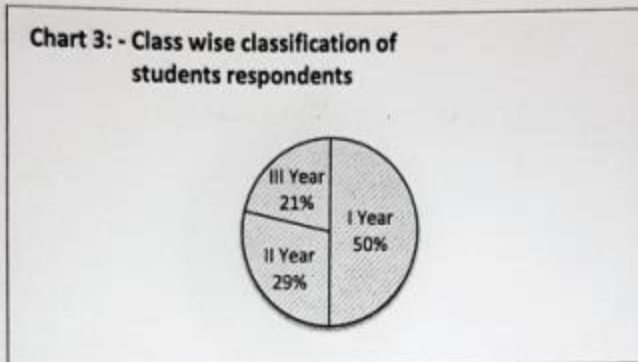

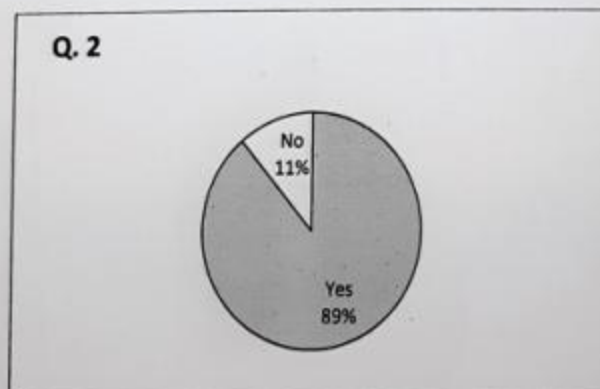

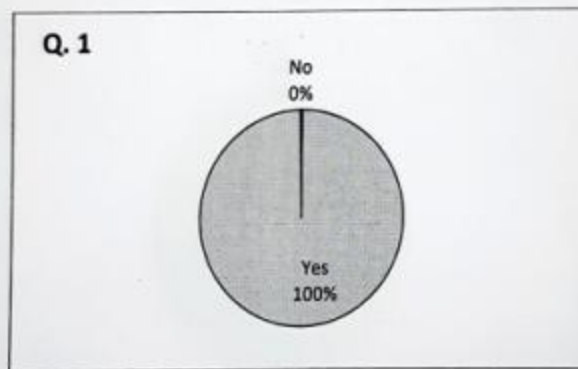

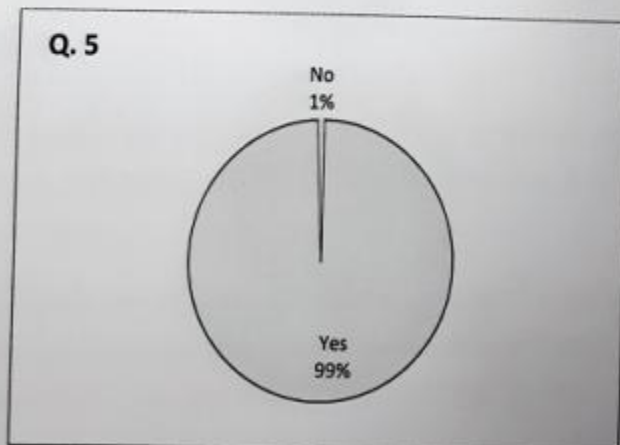

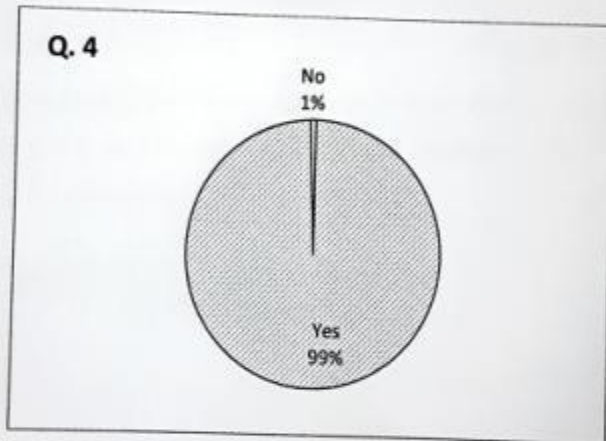

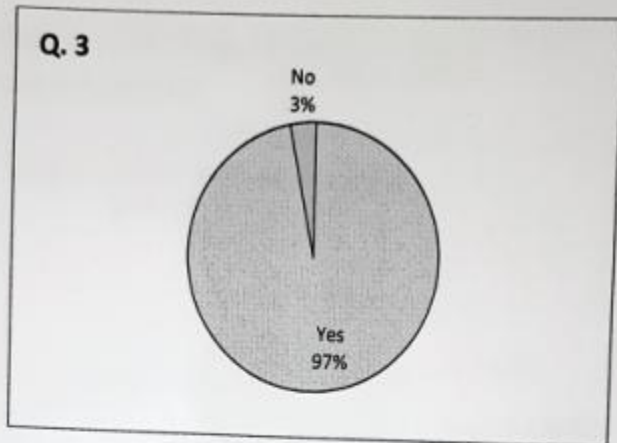

Chart 2 depicts the course-wise classification of student respondents. It was noticed that, 31%, 33% and 36% responses were collected from B. A., B. Com. and B. Sc. students respectively.

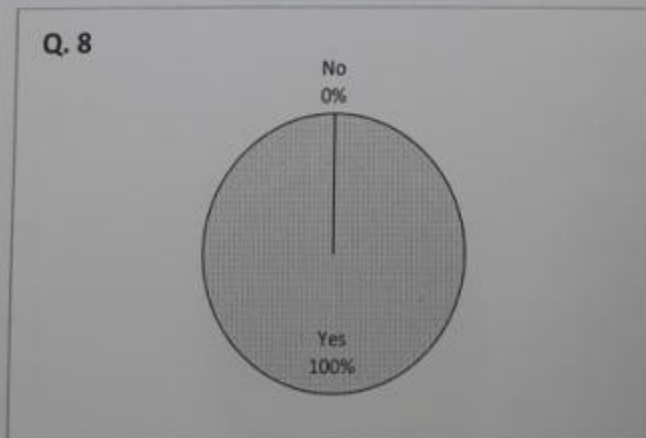

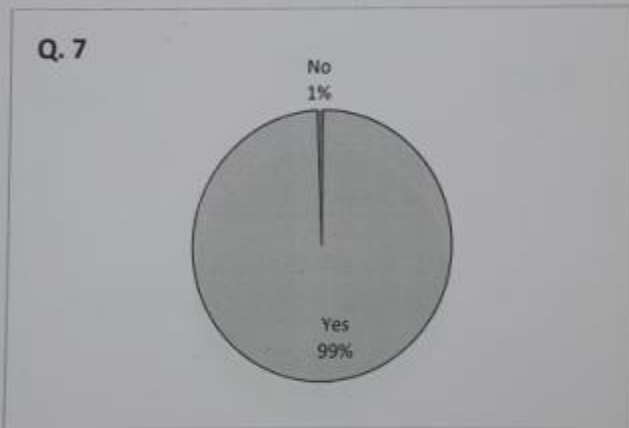

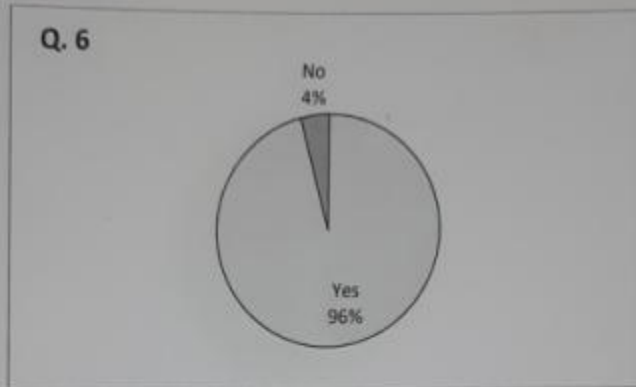

Chart 3 shows the class wise classification of student responses. It was noticed that, 50% responses was collected by I Year students, 29% responses was collected by II Year students and 21% responses was collected by III Year students.

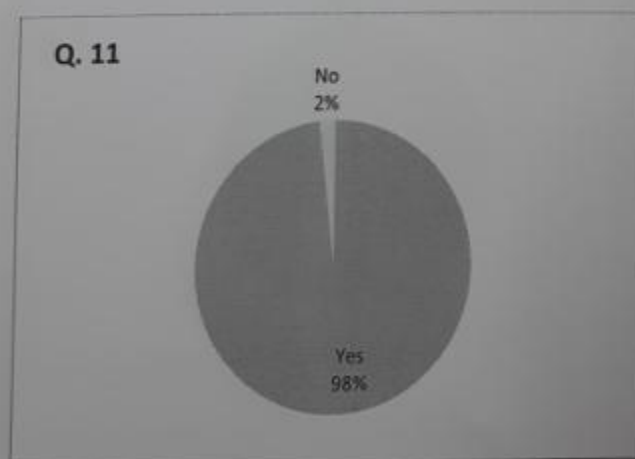

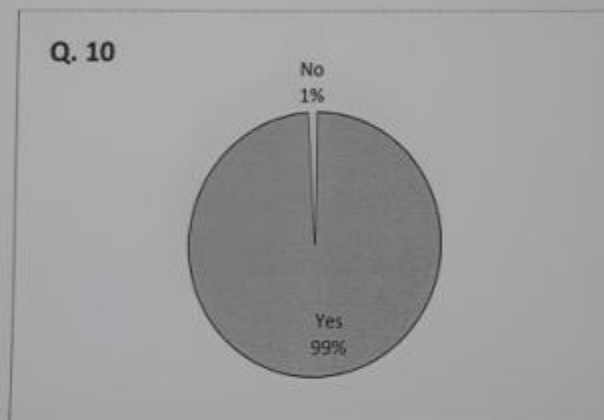

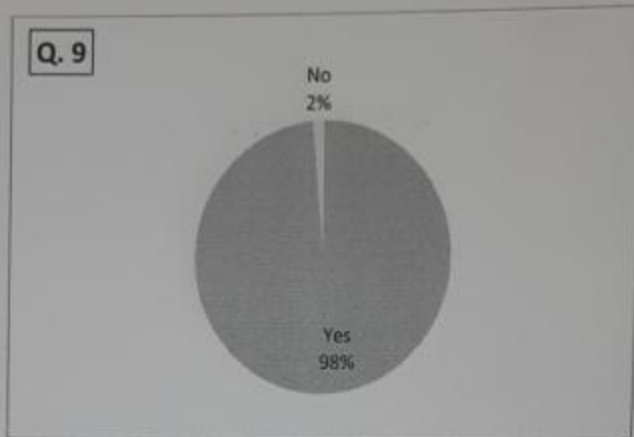

b. OBSERVATIONS ON VARIOUS ASPECTS:

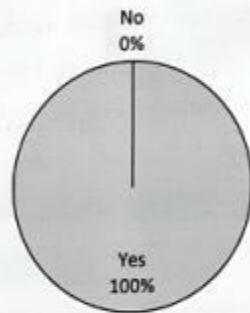

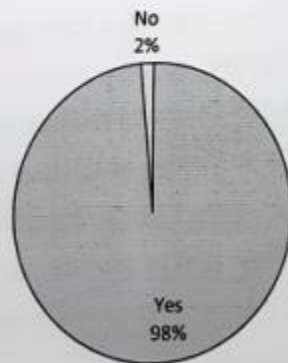

Q. 12

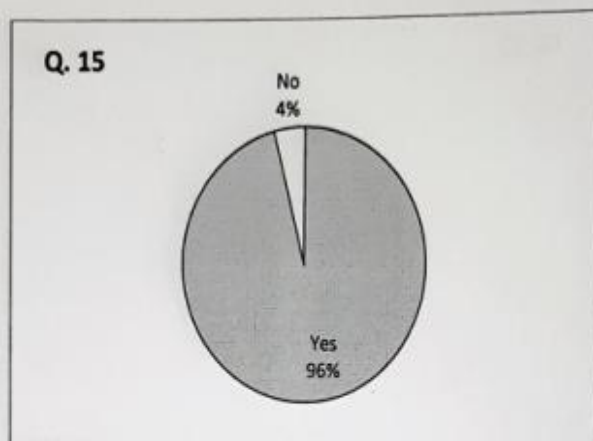

Q. 13

Q. 14

7. RECOMMENDATION AND ACTION TAKEN: -

IQAC placed feedback analysis report in front of Principal for consideration, approval and suggestions. The feedback analysis report was thoroughly discussed and analysed in view of the response received from the students. It was observed that, most of the students have expressed their satisfaction regarding the academic and infrastructure of the College. During analysis, following recommendations/suggestions were received from students.

- a. Skill development program should be added in the Syllabus.
- b. Office staff should be supportive for providing information.

Action taken on the basis of recommendation from the students

At some level positive suggestions have also been sought. Principal and IQAC unanimously resolved that

- a. College will try to ask BOS Chairman through BOS members of the college if there is any possibility to change in syllabus regarding skill development program.
- b. College will instruct Office staff to provide necessary information and give guidance to students whenever they ask regarding their issues of office section.
