Response to DVV:

The DVV has inquired for the sanctioned letter of any 40 students benefitted by scholarships for 2017-18, 2018-19, 2019-20, 2020-21 and 2021-22. We would like to clarify that the process of scholarship i.e. application made by the students to disbursement is completely online (<https://mahadbt.maharashtra.gov.in>). No hard copies or sanctioned letters are released/provided by the government to the institution. So, we are unable to provide the sanction letters of any 40 students from assessment period.

Instead, we are providing the scholarship reports available on college login at government owned scholarship portal. The report is downloaded in MS Office excel format. The reports are printed and signed by competent authority and attached herewith.

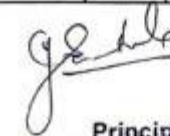

In the scholarship application process, students apply as per their category from MahaDBT portal and provide necessary documents. The application is then forwarded to college login and students also provide the same in hard copy. The Clerk verify the data and forward to Principal. Again the application is validated from Principal's login and forwarded to respective government departments. The application status and other details (post-application and post-sanctioned) can be viewed from college login.
