

CURRICULUM VITAE

Dr. GAURAV CHINTAMAN SHENDE

Assistant Professor, Dept. of Botany

Mahatma Jyotiba Fule Commerce, Science and

Vitthalrao Raut Arts College,

Bhatkuli Dist.-Amravati-444602

E-mail id: gcshende85@gmail.com

Education Qualification: M. Sc. Ph.D Botany

Ph.D: Under the supervision of Dr. Dayanand p. Gogle, Associate Professor in Department of Botany, RTM Nagpur University, Nagpur

Thesis Title: "To study the Suitability of Deproteinized Leaf Juice in Microbial Technology."

Teaching Experience:

1. Two years and seven months on Undergraduation since December-2019 on permanent basis on MJF College Bhatkuli.
2. Five years Post graduate teaching experience in Dept. of Botany (2013-2019) as a contributory Teacher.
3. Six months post graduate teaching experience in Molecular biology and genetic engineering (2018-2019) as a contributory teacher.

Publications:

1. Shende G. C. and D. P. Gogle (2016). To study the effects of various concentrations of deproteinized leaf juice (DPJ) of selected plants on growth of *Aspergillus niger*. Int. J. of Life Sciences, Special Issue A6. 186-188.
2. Shende G. C. and D. P. Gogle (2018). Biomass Production of *Penicillium notatum* using Deproteinized leaf juice as a substrate. World Journal of Pharmaceutical Research. Volume 7, Issue 2, 686-690.

Awards:

1. Fellowship award in BRS SAP project as a project fellow sponsored by UGC, New Delhi in year 2013 for Ph. D.
2. Rajiv Gandhi Fellowship award by UGC, New Delhi in year 2016 for Ph.D.

Area of Interest: Fungi, Phytochemistry, Ecology and Environment
